Has Your Job Been Affected by a Layoff or Downsizing?

The Rapid Reemployment Initiative (RRI) can help. This initiative was designed to connect the displaced employees of a downsizing company to a hiring company within the industry or related field.

Through www.JobCentral.com, a free web-based tool, RRI will aid you in your job search when your company downsizes, displaces workers, or has a staff lay-off. This free service is for all displaced workers.

The goal of RRI is to help you find employment and reduce, or even eliminate, the need for unemployment insurance. For additional information about RRI and other employment resources, visit the Arizona Virtual OneStop at www.arizonavirtualonestop.com.
