\$300,000	) and over		Х	.0454	=		-	\$ 2,078.00	=	

### Line 31 - Balance of Income Tax

Subtract lines 28 and 30 from line 27. If the sum of lines 28 and 30 is more than line 27, enter zero on line 31.

#### Line 32 - Unpaid Arizona Use Tax

Use line 32 to report any use tax that you owe from out-of-state purchases that you made in 2011. Enter an amount on line 32 to report your use tax only if all of the following apply.

- 1. The items you bought were not for business purposes.
- 2. You stored, used or consumed the item in Arizona.
- 3. You are not a registered retailer.

For example, you may have bought goods from a catalogue or from the Internet. You may have purchased items costing more than \$200, while traveling outside of the U.S. If you made any out-of-state purchase during 2011 and paid **no** sales tax on that purchase, you must complete the use tax worksheet, if items 1 through 3 above apply. You should keep your receipts or invoices for your out-of-state purchases.

Some items are exempt from use tax. For example, you do not have to pay use tax on any of the following items:

- Prescription drugs
- Prescription eyeglasses
- Contact lenses
- Hearing aids

Other items may also be exempt from use tax. To find out more about use tax and items exempt from use tax, see our brochure, *Pub 610, Use Tax.* To see this brochure, visit our web site at www.azdor.gov and click on publications.

If you did not make any out-of-state purchases during 2011, you do not owe any use tax. In this case, enter "0" on line 32.

#### Arizona's Use Tax

Arizona's use tax has been part of our tax laws since 1955. Every state with a sales tax also has a use tax. When Arizona shoppers buy from out-of-state sellers who do not collect tax, this puts in-state sellers at a disadvantage. The use tax puts all retailers on a level playing field.

# What if I Have Already Paid Tax on My Out-of-State Purchase?

If you have paid sales tax to another state on the purchase, or if you have already paid your Arizona use tax, then you should enter "0" on line 32.

#### Use Tax Worksheet

Complete the following worksheet to figure your unpaid use tax.

	Use Tax Worksheet	
1.	Taxable Purchases	
2.	Arizona use tax rate	.066
3.	Multiply line 1 by the decimal on line 2. Enter the result here.	
4.	Round the amount on line 3 to the nearest whole dollar. If 50 cents or more, round up to the next dollar; if less than 50 cents, round down. Also enter this amount on Form 140NR, page 1, line 32.	

The following example shows how to complete the worksheet.

**Example:** Rita is living in Phoenix and she orders a new bedspread from the Out-of-State Catalog Store based in New York. Rita will use this bedspread in her Arizona winter home. The price is \$125. The Catalog Store collects no tax. Rita must pay Arizona use tax on this purchase. Rita will complete the worksheet as follows:

	Use Tax Worksheet - Example	
1.	Taxable Purchases	\$125.00
2.	Arizona use tax rate	.066
3.	Multiply line 1 by the decimal on line 2. Enter the result here.	8.25
4.	Round the amount on line 3 to the nearest whole dollar. If 50 cents or more, round up to the next dollar; if less than 50 cents, round down. Also enter this amount on Form 140NR, page 1, line 32.	\$8.00
	this example, Rita will enter \$8 on Form DNR, page 1, line 32.	

#### Line 33 - Balance of Tax

Add lines 31 and 32. Enter the result.

#### **Totaling Payments**

#### Line 34 - Arizona Income Tax Withheld

Enter the Arizona income tax withheld shown on the Form(s) W-2 from your employer. Do not include income taxes withheld by any other state. Attach the Form(s) W-2 after the last page of your return.

#### Line 35 - Arizona Estimated Tax Payments for 2011 and Amount Applied from 2010 Return

Use this line if you did one of the following:

- 1. Made estimated income tax payments to Arizona for 2011.
- 2. Applied any of your refund from your 2010 Arizona return to 2011 estimated taxes for Arizona.

Enter the total amount paid and/or applied to 2011 taxes.

**NOTE:** If you made joint Arizona estimated payments for 2011, but are filing separate 2011 Arizona income tax returns, see Arizona Department of Revenue Income Tax Ruling ITR 02-3.

# Line 36 - 2011 Arizona Extension Payment (Form 204)

Use this line to report the payment you sent with your extension request, or the electronic extension payment you made using www.aztaxes.gov.

### Line 37 - Other Refundable Credits

Enter the total of refundable credits you are claiming from Form 308-I, *Credit for Increased Research Activities -Individuals*, or Form 342, *Credit for Renewable Energy Industry*.

If you enter an amount on this line, be sure you check the box or boxes to show which credits you are claiming. Also be sure to attach the credit claim form (308-I or 342) to your return when you file.

# Credit for Increased Research Activities - Individuals (Form 308-I)

You may qualify for the refundable increased research activities credit if you incurred qualified research expenses
