**General Instructions**

**Organizations Which Must File Form 99 or a Copy of the Federal Return of Organization Exempt From Income Tax**

Most organizations that have tax exempt status under Arizona Revised Statutes (ARS) § 43-1201 must file Form 99 or a copy of the organization's federal return of organization exempt from income tax *only if their gross income exceeds \$25,000*.

However, the following exempt organizations do not have to file Form 99 or a copy of the organization's federal return of organization exempt from income tax *regardless of the amount of gross income*:

- A religious organization exempt under ARS § 43-1201(4). The organization must be organized exclusively for religious purposes. No part of the organization's net earnings may inure to the benefit of any private shareholder or individual. No substantial part of the organization's activities may be carrying on propaganda or otherwise attempting to influence legislation.
- An educational organization exempt under ARS § 43-1201(4). The organization must normally maintain a regular faculty and students in attendance at the place where its educational activities are regularly conducted.
- A charitable organization or an organization for the prevention of cruelty to children or animals, exempt under ARS § 43-1201(4). The organization must receive its support, in whole or in part, from funds contributed by the United States, or any state or political subdivision thereof, or receive its primary support from contributions of the general public.
- An organization exempt under ARS § 43-1201(4), if the operation, supervision, or control of the organization is by, or in connection with, a religious organization exempt under ARS § 43-1201(4).
- An organization exempt solely under ARS § 43-1201(2). The fraternal beneficiary societies, orders or organizations must: (a) operate under the lodge system or for the exclusive benefit of the members of a fraternity itself operating under the lodge system; and (b) provide for the payment of life, sick, accident or other benefits to the members of the society, order or organization or their dependents.

**NOTE:** Homeowners associations described in IRC § 528 are not exempt from tax under ARS § 43-1201 [associations that file federal Form 1120-H or 1120]. These organizations must file an Arizona corporate income tax return on Form 120A or Form 120. However, certain homeowners associations are federally tax exempt under IRC § 501(c)(4), as social welfare organizations, or under IRC § 501(c)(7), as clubs organized for pleasure or recreation. These homeowners associations are similarly tax exempt for Arizona income tax purposes. These organizations may file Form 99.

**Filing Original Returns**

The due date for Form 99 or the copy of the federal return of organization exempt from income tax is the 15th day of the fifth calendar month after the close of the taxable year. If the organization files under a valid federal three month extension, check box 82C on page one of Form 99. If the organization is filing under a second valid federal three month extension or an Arizona extension, check box 82F on page one of Form 99. File the return by the extended due date.

If the organization is filing its federal form in place of the Arizona Form 99, please attach a copy of the federal extension(s) to the front of the return.

Send the return to the Arizona Department of Revenue, PO Box 52153, Phoenix AZ 85072-2153. If the organization files Form 99, enclose a copy of the appropriate federal return.

The department normally determines the timeliness of a return by the postmark or other official mark of the U.S. Postal Service stamped on the envelope in which the return is mailed. Refer to Arizona General Tax Ruling GTR 93-1 for further information. The department will also accept proof of mailing from a private delivery service included in the Internal Revenue Service list of designated private delivery services. Contact the private delivery service for information regarding how to obtain written proof of mailing.

**Extension of Time to File a Return**

The organization can apply for an Arizona extension by filing a completed Form 120EXT by the original due date of the return. The organization can also use a valid federal extension rather than applying for an Arizona extension.

The department grants an Arizona extension for a period of six months. Arizona will accept the federal extension for the same period of time as covered by the federal extension.

Because the first federal extension for exempt organizations is an automatic three-month extension instead of the automatic six-month Arizona extension, exempt organizations requiring a six-month extension must be approved for a second three-month federal extension, which is not automatic, or file an Arizona Form 120EXT by the original due date.

**Penalty**

This form is an information return. The penalty for failing to file, filing late (including extensions) or filing an incomplete information return is \$100 for each month, or fraction of a month, that the failure continues, up to a maximum penalty of \$500.

**Filing Amended Returns**

File amended returns within four years of the filing of the original return. However, do not file an amended return until the original return has been processed.

- *Organization that filed a copy of its federal return of organization exempt from income tax* - file a copy of the amended federal return of organization exempt from income tax.
- *Organization that filed Form 99* - attach a statement to the amended return that explains why the organization amended its Arizona return. If the organization amended its federal return, attach a copy of the amended federal return with all applicable schedules to the amended Arizona return.
