

Instructions for Form 540/540A — California Resident Income Tax Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2009**, and the California Revenue and Taxation Code (R&TC).

Before You Begin

Complete your federal income tax return (Form 1040, Form 1040A, or Form 1040EZ) before you begin your California Form 540/540A. Use information from your federal income tax return to complete your Form 540/540A. Complete and mail Form 540/540A by April 15, 2013. If unable to mail your tax return by the due date, see page 2.

You may qualify for the federal earned income credit. See page 2 for more information. No comparable state credit exists.

Note: The lines on Form 540/540A are numbered with gaps in the line number sequence. For example, lines 20 through 30 do not appear on Form 540/540A, so the line number that follows line 19 on Form 540/540A is line 31.

Caution: Form 540 and Form 540A have three sides. When filing Form 540 or Form 540A, you must send all three sides to the Franchise Tax Board (FTB).

Filling in Your Tax Return

- Use black or blue ink on the tax return you send to the FTB.
- Enter your social security number(s) (SSN) or individual taxpayer identification number(s) (ITIN) at the top of Form 540/540A, Side 1.
- Print numbers and CAPITAL LETTERS between the combed lines. Be sure to line up dollar amounts.
- If you do not have an entry for a line, leave it blank unless the instructions for a line specifically tell you to enter -0-. **Do not** enter a dash, or the word "NONE."

Print your first name, middle initial, last name, and address in the spaces provided at the top of Form 540/540A.

Principal Business Activity (PBA) Code (Form 540 only)

For federal Schedule C (Form 1040) business filers, enter the numeric PBA code from federal Schedule C (Form 1040), line B.

Date of Birth (DOB)

Enter your DOBs (mm/dd/yyyy) in the spaces provided. If your filing status is married/RDP filing jointly or married/RDP filing separately, enter the DOBs in the same order as the names.

If you do not have an SSN because you are a nonresident or resident alien for federal tax purposes, and the Internal Revenue Service (IRS) issued you an ITIN, enter the ITIN in the space for the SSN. An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. It is a nine-digit number that always starts with the number 9.

Filing Status

Line 1 through Line 5 – Filing Status

Check only one box for line 1 through line 5. Enter the required additional information if you checked the box on line 3 or line 5. For filing status requirements, see page 3.

Use the same filing status for California that you used for your federal income tax return.

Exception: If you file a joint tax return for federal, you may file separately for California if either spouse was:

- An active member of the United States armed forces or any auxiliary military branch during 2012.
- A nonresident for the entire year and had no income from California sources during 2012.

Caution – Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

Same-sex married individuals or registered domestic partners (RDPs) who file single for federal **must file** married/RDP filing jointly or married/RDP filing separately for California.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2012, you **must file** the Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

Do not claim this credit if someone else can claim you as a dependent on their tax return.

Line 9 – Senior Exemptions

If you are married or an RDP, each spouse/RDP 65 years of age or older should claim an additional credit. You may contribute all or part of this credit to the California Seniors Special Fund. See page 23 for information about this fund.

Line 13 – Federal Adjusted Gross Income (AGI) from Form 1040, line 37; 1040A, line 21; or 1040EZ, line 4

Same-sex married couples (SSMCs) or RDPs who file a California tax return as married/RDP filing jointly and have no SSMC adjustments or RDP adjustments between federal and California, combine their individual AGIs from their federal tax returns filed with the IRS. Enter the combined AGI on Form 540/540A, line 13.

SSMC adjustments and RDP adjustments include but are not limited to the following:

Same-sex married individuals filing as married/RDP filing separately, former spouses of a same-sex marriage filing separately, and SSMCs with SSMC adjustments will use the California SSMC Adjustment Worksheet in FTB Pub. 776, Tax Information for Same-Sex Married Couples, or complete a federal pro forma Form 1040. Transfer the amount from the California SSMC Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Form 540/540A, line 13.

RDPs filing as married/RDP filing separately, former RDPs filing separately, and RDPs with RDP adjustments will use the California RDP Adjustments Worksheet in FTB Pub. 737, Tax Information for Registered Domestic Partners, or complete a federal pro forma Form 1040. Transfer the amount from the California RDP Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Form 540/540A, line 13.

Line 14 (Form 540) – California Adjustments – Subtractions [from Schedule CA (540), line 37, column B]

If there are no differences between your federal and California income or deductions, do not file a Schedule CA (540), California Adjustments — Residents.

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540) beginning on page 47. Enter on line 14 the amount from Schedule CA (540), line 37, column B. If a negative amount, see Schedule CA (540), line 37 instructions, page 51.

Line 14a (Form 540A) – State Income Tax Refund

Enter the amount of any state income tax refund shown on your federal Form 1040, line 10. If you filed federal Forms 1040A or 1040EZ, enter -0-.

Line 14b (Form 540A) – Unemployment Compensation

Enter the total of any unemployment compensation and/or Paid Family Leave Insurance benefits reported on federal Form(s) 1099-G, Certain Government Payments, and reported on your federal Form 1040A, line 13; Form 1040, line 19; or Form 1040EZ, line 3.

Line 14c (Form 540A) – U.S. Social Security Benefits (and Tier 1 or Tier 2 Railroad Retirement Benefits)

- Enter the amount of U.S. social security benefits or equivalent tier 1 railroad retirement benefits reported on federal Form 1040A, line 14b or Form 1040, line 20b.
- Enter the amount of tier 1 (non-social security equivalent) and tier 2 railroad retirement benefits included in the amount on federal Form 1040A, line 12b or Form 1040, line 16b.

Do not include any other pension amounts on this line. If you filed Form 1040EZ, enter -0-.

Line 14d (Form 540A) – California Nontaxable Interest or Dividend Income

California does not tax interest earned from:

- United States savings bonds.
- United States Treasury bills, notes, and bonds.
- Bonds or obligations of United States territories, and government agency obligations specifically exempted by federal law.

Enter only the amount of interest that you received from these sources and that you included in the amount reported on your federal Form 1040A, line 8a; Form 1040, line 8a; or Form 1040EZ, line 2.

Interest from municipal or state bonds from a state other than California:

This interest is taxed by California. You may not use Form 540A. Use Form 540 or e-file.

Interest from Federal National Mortgage Association (Fannie Mae) Bonds, Government National Mortgage Association (Ginnie Mae) Bonds, and Federal Home Loan Mortgage Corporation (FHLMC) securities: This interest is taxed by California. Do not enter it on line 14d.

Exempt-interest dividends from mutual funds: Certain mutual funds are qualified to pay “exempt-interest dividends” if at least 50% of their assets consist of tax-exempt government obligations. The portion of the dividends that are tax-exempt will be shown on your annual statement from the mutual fund. If the amount of California tax-exempt interest is more than the amount of federal tax-exempt interest, enter the difference on line 14d. If the amount of California tax-exempt interest is less than the amount of federal tax-exempt interest, you may not use Form 540A. Use Form 540 or e-file.

Line 14e (Form 540A) – California Individual Retirement Account (IRA) Distributions

Differences may exist between the taxable amounts of federal and California IRA distributions, pensions, and annuities. Enter any differences on line 14e and line 14f.

You cannot use Form 540A if you have Roth IRA conversions or distributions. Use Form 540 or e-file.

The method of taxing IRA distributions is generally the same for California and federal purposes. However, there may be significant differences in the taxable amount depending on when you made your contributions.

The maximum IRA contribution allowed as a deduction for California was less than the maximum amount allowed for federal for years 1975 and 1982 through 1986. If you made contributions during these years, report the difference between the deduction you took for federal and the deduction you took for California on this line. For more information, get FTB Pub. 1005, Pension and Annuity Guidelines. See “Order Forms and Publications” on page 67.

Report the difference between your California and your federal taxable IRA distributions on line 14e. Attach Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., to your Form 540A if tax was withheld.

Line 14f (Form 540A) – Nontaxable Pensions and Annuities

Generally, you will not make any adjustments on this line. You should not make an adjustment solely because the pension was earned in another state. Federal and State tax laws require California residents to pay state income tax on all taxable pensions, regardless of where they were earned. However, California law treats railroad retirement benefits differently. If you received tier 2 railroad retirement benefits, tier 1 (non-social security equivalent) (included in the amount on federal Form 1040A, line 12b or Form 1040, line 16b), or partially taxable distributions from a pension plan, you may need to make the adjustment.

If you received a federal Form RRB-1099-R, Annuities or Pensions by the Railroad Retirement Board, for railroad retirement benefits and included all or part of these benefits in federal AGI on line 13, enter the taxable benefit amount on line 14f.

If you began receiving a retirement annuity between July 1, 1986, and January 1, 1987, and you elected to use the three-year recovery rule for California, make an adjustment because your federal taxable amount is less than your California taxable amount. Figure the difference between the gross distribution shown on your Form 1099-R, box 1 and the taxable amount shown in box 2a. Enter the difference in parentheses on line 14f. For example: "(12,325)."

If you received a lump-sum distribution from a profit sharing or retirement plan and choose the 10-year averaging method you may pay less tax on the distribution. To use this method file Form 540. See the instructions for Form 540 and get Schedule G-1, Tax on Lump-Sum Distributions (not in this booklet), for more information. See "Order Forms and Publications" on page 67.

California law now conforms to certain provisions of the Internal Revenue Code (IRC) related to pension plans and deferred compensation, as those provisions apply for federal purposes including amendments to the IRC that may be enacted in the future.

Line 14g (Form 540A) – Total California Income Adjustments

Combine line 14a through line 14f. If the result is less than zero, enter the amount in parentheses. For example, "(13,325)."

Line 15 (Form 540) – Subtotal

Subtract the amount on line 14 from the amount on line 13. Enter the result on line 15. If the amount on line 13 is less than zero, combine the amounts on line 13 and line 14 and enter the result in parentheses. For example: "(12,325)."

Line 16 (Form 540) – California Adjustments – Additions [from Schedule CA (540), line 37, column C]

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540) beginning on page 47. Enter on line 16 the amount from Schedule CA (540), line 37, column C. If a negative amount, see Schedule CA (540), line 37 instructions, page 51.

Line 18 – California Itemized Deductions or California Standard Deduction

Decide whether to itemize your charitable contributions, medical expenses, mortgage interest paid, taxes, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of:

- Your California itemized deductions.
- Your California standard deduction.

California itemized deductions may be limited based on federal AGI. To compute limitations, use Schedule CA (540). RDPs use your recalculated federal AGI to figure your itemized deductions.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for net disaster losses. For California, deductions for disaster losses are only allowed for those individual taxpayers who itemized their deductions.

If married or an RDP and filing separate tax returns, you and your spouse/RDP must either both itemize your deductions (even if the itemized deductions of one spouse/RDP are less than the standard deduction) or both take the standard deduction.

Form 540 – If someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, use the Form 540 – California Standard Deduction Worksheet for Dependents on this page.

Form 540A – If someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, use the Form 540A – California Standard Deduction Worksheet for Dependents on this page.

Form 540 – Itemized deductions. Figure your California itemized deductions by completing Schedule CA (540), Part II, line 38 through line 44. Enter the result on Form 540, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540, first complete federal Schedule A (Form 1040), Itemized Deductions. Then complete Schedule CA (540),

Part II, line 38 through line 44. Attach both the federal Schedule A (Form 1040) and California Schedule CA (540) to the back of your tax return.

Form 540A – Itemized deductions. Figure your California itemized deductions by completing the Form 540A – California Itemized Deductions Worksheet on the next page. Enter the result on Form 540A, line 18.

Then complete the Form 540A – California Itemized Deductions Worksheet on the next page. **Do not** attach federal Schedule A (Form 1040) to your Form 540A.

Standard deduction. Find your standard deduction on the California Standard Deduction Chart for Most People on this page. If you checked the box on Form 540/540A, line 6, use the California Standard Deduction Worksheet for Dependents on this page.

If your taxable income on line 19 is:

- \$100,000 or less, use the tax table beginning on page 61. Use the correct column for your filing status.
- Over \$100,000, use the tax rate schedules on page 66. Use the correct tax rate schedule for your filing status.

Line 31 (Form 540) – Tax

- **Tax Table.** If your taxable income on line 19 is \$100,000 or less, use the tax table beginning on page 61. Use the correct filing status column in the tax table.
- **Tax Rate Schedules.** If your taxable income on line 19 is over \$100,000, use the tax rate schedule for your filing status on page 66.

Exemption credits reduce your tax. If your federal adjusted gross income (AGI) on line 13 is more than the amount shown below for your filing status, your credits will be limited.

For purposes of computing limitations based upon AGI, SSMCs and RDPs recalculate their AGI using a federal pro forma, California SSMC Adjustments Worksheet (located in FTB Pub. 776), or California RDP Adjustments Worksheet (located in FTB Pub. 737). If your recalculated federal AGI is more than the amount shown below for your filing status, your credits will be limited.

Note:

- This credit does not apply when a child is adopted from another country or another state, or was not in the custody of a California public agency or a California political subdivision.

If you and your spouse/RDP paid joint estimated taxes but are now filing separate income tax returns, either of you may claim the entire amount paid, or each may claim part of the joint estimated tax payments. If you want the estimated tax payments to be divided, notify the FTB before you file the tax returns so the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court-ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers.

Send statements to:

JOINT ESTIMATED CREDIT ALLOCATION MS F225
TAXPAYER SERVICES CENTER
FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO, CA 94240-0040

If you or your spouse/RDP made separate estimated tax payments, but are now filing a joint income tax return, add the amounts you each paid. Attach a statement to the front of Form 540/540A explaining that payments were made under both SSNs.

You do not have to make estimated tax payments if you are a nonresident or new resident of California in 2013 and did not have a California tax liability in 2012.

Line 73 (Form 540) – Real Estate and Other Withholding

Enter the total of California withholding from Form 593, Real Estate Withholding Tax Statement, and Form 592-B, Resident and Nonresident Withholding Tax Statement. Attach a copy of Form(s) 593 and 592-B to the lower front of Form 540, Side 1.

Caution: Do not include withholding from federal Form(s) W-2, W-2G, or 1099 on this line.

Line 74 – Excess California SDI (or VPD) Withheld

You may claim a credit for excess State Disability Insurance (SDI) or Voluntary Plan Disability Insurance (VPDI) if you meet **all** of the following conditions:

- You had **two or more** California employers during 2012.
- You received more than \$95,585 in wages.
- The amounts of SDI (or VPD) withheld appear on your Form(s) W-2. Be sure to attach your Form(s) W-2 to the lower front of your Form 540/540A.

If SDI (or VPD) was withheld from your wages by a single employer, at more than 1.0% of your gross wages, you may not claim excess SDI (or VPD) on your Form 540/540A. Contact the employer for a refund.

To determine the amount to enter on line 74, complete the Excess SDI (or VPD) Worksheet below. If married/RDP filing jointly, figure the amount of excess SDI (or VPD) separately for each spouse/RDP.

Excess SDI (or VPD) Worksheet Use whole dollars only.		
	You	Your Spouse/RDP
1. Add amounts of SDI (or VPD) withheld shown on your Forms W-2. Enter the total here		
2. 2012 SDI (or VPD) limit.	\$955.85	\$955.85
3. Excess SDI (or VPD) withheld. Subtract line 2 from line 1. Enter the results here. Combine the amounts on line 3 and enter the total, in whole dollars only on Form 540/540A, line 74		
If zero or less, enter -0- on line 74.		

Line 75 (Form 540)

For the Claim of Right credit, follow the reporting instructions in Schedule CA (540), line 41 under the Claim of Right.

Claim of Right: If you are claiming the tax credit on your California tax return, include the amount of the credit in the total for this line. Write in "IRC 1341" and the amount of the credit to the left of the amount column.

To determine if you are entitled to this credit, refer to your prior year California Form 540/540A, Form 540NR (Long or Short), or Schedule CA (540 or 540NR) to verify the amount was included in your CA taxable income. If the amount repaid under a "Claim of Right" was not originally taxed by California, you are not entitled to claim the credit.

Overpaid Tax or Tax Due

If you received a refund for 2011, you may receive a federal Form 1099-G. The refund amount reported on your federal Form 1099-G will be different from the amount shown on your tax return if you claimed the Child and Dependent Care Expenses Credit. This is because the credit is not part of the refund from withholding or estimated tax payments.

To avoid delay in processing of your tax return, enter the correct amounts on line 91 through line 94.

Line 91 – Overpaid Tax

Form 540 – If the amount on line 75 is more than the amount on line 64, your payments and credits are more than your tax. Subtract the amount on line 64 from the amount on line 75. Enter the result on line 91.

Form 540A – If the amount on line 75 is more than the amount on line 64, your payments and credits are more than your tax. Subtract the amount on line 64 from the amount on line 75. Enter the result on line 91.

Choose e-file and Direct Deposit and get your refund faster.

Line 92 – Amount You Want Applied to Your 2013 Estimated Tax

Apply all or part of the amount on line 91 to your estimated tax for 2013. Enter on line 92 the amount of line 91 that you want applied to your 2013 estimated tax.

An election to apply an overpayment to estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the tax return.

Line 93 – Overpaid Tax Available This Year

If you entered an amount on line 92, subtract it from the amount on line 91. Enter the result on line 93. Choose to have this entire amount refunded to you, make contributions to the California Seniors Special Fund (see page 23), or make other voluntary contributions from this amount.

Line 94 – Tax Due

Form 540 – If the amount on line 75 is less than the amount on line 64, subtract the amount on line 75 from the amount on line 64. Enter the result on line 94. Your tax is more than your payments and credits.

Form 540A – If the amount on line 75 is less than the amount on line 64, subtract the amount on line 75 from the amount on line 64. Enter the result on line 94. Your tax is more than you payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 94 is \$500 or more (\$250 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 71 is less than 90% of the amount of your total tax on line 64.

If this applies to you, see instructions on line 113.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. Get this form from your employer or by calling EDD at **888.745.3886**. Download the DE 4 at edd.ca.gov or to use the online calculator, go to ftb.ca.gov and search for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee's Withholding Allowance Certificate.

Use Tax**Line 95 – Use Tax. This is not a total line.**

California use tax applies to purchases of "tangible personal property" from out-of-state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person). If you have questions about whether a purchase is taxable, go to the State Board of Equalization's website at boe.ca.gov, or call their Taxpayer Information Section at 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities.)

The following taxpayers are required to report purchases subject to use tax directly to the State Board of Equalization and may not report use tax on their income tax return:

- Individuals or businesses that have a California seller's permit.
- Businesses that are not required to hold a California seller's permit, but receive at least \$100,000 in gross receipts.
- Individuals or businesses that have a California consumer use tax account.

If you are not required to report purchases subject to use tax directly to the State Board of Equalization, you may report use tax on your income tax return. The Use Tax Worksheet and Use Tax Table on the next page will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the State Board of Equalization. For information on how to report use tax directly to the State Board of Equalization, go to their website at boe.ca.gov and type "use tax" into the Search box.

Failure to report and timely pay may result in the assessment of interest, penalties and fees.

See page 20 for a general explanation of California use tax.

Use Tax Worksheet

You must use the Use Tax Worksheet on the next page to calculate your use tax liability, if any of the following apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax.
- You owe use tax on non-business purchases of individual items with a purchase price of \$1,000 or more.

Example 1: You purchased a television for \$2,000 from an out-of state retailer that did not collect use tax. You must use the Use Tax Worksheet to calculate the use tax due on the price of the television, since the price of the television is over \$999.99.

Example 2: You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from an out-of-state retailer that did not collect use tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Table.

- You owe use tax on any item purchased for use in a trade or business not registered with the Board of Equalization.

If you have a combination of individual items purchased for \$1,000 or more and individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more, use the Estimated Use Tax Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on line 95.

Example 3: The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room. You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet or you may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for all of the individual non-business items you purchased for less than \$1,000 each using the Estimated Use Tax Table.

Use Tax Worksheet See Instructions Below Use whole dollars only.	
1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. 2. Enter the applicable sales and use tax rate.	_____
3. Multiply line 1 by the tax rate on line 2. Enter result her	\$ _____ .00
4. If you are choosing the option to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, enter the use tax amount due from the Use Tax Table. If all of your purchases are included in line 1, enter -0-.	\$ _____ .00
5. Add lines 3 and 4. This is your total use tax.	\$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been taxable if purchased from a California retailer. For example, you would include purchases of clothing, but not purchases of prescription medicine.

- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that correspond with the tax return you are filing.
- If you traveled to a foreign country and carried items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization.

Note: Report and pay any use tax you owe on the following purchases directly to the State Board of Equalization, **not** on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.
- Cigarettes and tobacco products when the purchaser is registered with the State Board of Equalization as a cigarette and/or tobacco products consumer.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. If you do not know the applicable city or county sales and use tax rate, using your computer or mobile device please go to the State Board of Equalization's website at boe.ca.gov and click on City and County Tax Rates or call their Taxpayer Information Section at 800-400-7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities.)

Worksheet, Line 6, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states on purchases reported on Line 1. You can claim a credit up to the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Estimated Use Tax Table

You may use the Estimated Use Tax Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each, instead of reporting your use tax liability determined using the Use Tax Worksheet. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on the purchases of such items. Simply include the use tax liability that corresponds to your California Adjusted Gross Income on line 95 and you will not be assessed additional use tax on the individual non-business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

Adjusted Gross Income (AGI) Range	Use Tax Liability
Less Than \$10,000	\$2
\$10,000 to \$19,999	\$7
\$20,000 to \$29,999	\$12
\$30,000 to \$39,999	\$17
\$40,000 to \$49,999	\$22
\$50,000 to \$59,999	\$27
\$60,000 to \$69,999	\$32
\$70,000 to \$79,999	\$37
\$80,000 to \$89,999	\$42
\$90,000 to \$99,999	\$47
\$100,000 to \$124,999	\$56
\$125,000 to \$149,999	\$69
\$150,000 to \$174,999	\$81
\$175,000 to \$199,999	\$94
More than \$199,999 – Multiply AGI by 0.050% (.0005)	

Enter your use tax liability on Line 4 of the worksheet or if you have no single purchase over \$999.99 then enter the amount on Line 95 of your income tax return.

Contributions

You can make voluntary contributions to the funds listed on Form 540, Side 3 or Form 540A, Side 2. See page 23 for a description of the funds.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195.00. When applicable, FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will **not** be forwarded to DPR. Any contribution to the **State Parks Protection Fund/Parks Pass Purchase** will be considered a voluntary contribution. For more information go to parks.ca.gov/annualpass or email info@parks.ca.gov.

Amount You Owe

Add or subtract correctly to figure the amount you owe.

Line 111 – Amount You Owe

If you have an amount on line 94, add the amount on line 94, line 95, and line 110, if any. Enter the result on line 111.

If you have an amount on line 93, subtract line 95 and line 110 from line 93. If the combined amount of line 95 and line 110 is more than line 93, enter the difference on line 111.

To avoid a late filing penalty, file your Form 540/540A by the extended due date even if you cannot pay the amount you owe.

Mandatory Electronic Payments. You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless

of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a one percent noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to ftb.ca.gov and search for **mandatory e-pay**.

Payment Options

- **Electronic Funds Withdrawal** – Instead of paying by check or money order, use this convenient option if you e-file. Simply provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- **Web Pay** – Pay the amount you owe using our secure online payment service. Go to ftb.ca.gov for more information.
- **Credit Card** – Use your Discover, MasterCard, Visa, or American Express card to pay your tax. If you pay by credit card, do not mail form FTB 3519 to us. Call 800.272.9829 or go to the Official Payments Corp. website at officialpayments.com, and use the jurisdiction code 1555. Official Payments Corp. charges a convenience fee for using this service.
- **Check or Money Order** – Using black or blue ink, make your check or money order payable to the "Franchise Tax Board." **Do not send cash.** Write your SSN or ITIN and "2012 Form 540" or "2012 Form 540A" as applicable on the check or money order. Enclose, but **do not** staple, your payment with your tax return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. **Do not** combine your 2012 tax payment and any 2013 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. **Do not** mail a copy of your e-filed tax return.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

Paying by Credit Card – Whether you e-file or file by mail, use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). **There is a convenience fee for this service.** This fee is paid directly to Official Payments Corp. based on the amount of your tax payment.

Convenience Fee

- 2.30% of the tax amount charged (rounded to the nearest cent)
- Minimum fee: \$1

Example:

Tax Payment = \$753.56 Convenience Fee = \$17.33

When will my payments be effective?

Your payment is effective on the date you charge it.

What if I change my mind?

If you pay your tax liability by credit card and later reverse the credit card transaction, you may be subject to penalties, interest, and other fees imposed by the FTB for nonpayment or late payment of your tax liability.

How do I use my credit card to pay my income tax bill?

Once you have determined the type of payment and how much you owe, have the following ready:

- Your Discover, MasterCard, Visa, or American Express card
- Credit card number
- Expiration date
- Amount you are paying
- Your and your spouse's/RDP's SSN or ITIN
- First 4 letters of your and your spouse's/RDP's last name
- Taxable year
- Home phone number (including area code)

- ZIP Code for address where your monthly credit card bill is sent
- FTB Jurisdiction Code: 1555

Payment Date: _____

Confirmation Number: _____

If you cannot pay the full amount or can only make a partial payment for the amount shown on Form 540, line 114 or Form 540A, line 111, see the information regarding Installment Payments on page 21.

Interest and Penalties

If you file your tax return or pay your tax after the due date, you may owe interest and penalties on the tax due.

Do not reduce the amount on line 91 or increase the amount on line 94 by any penalty or interest amounts. Enter on Form 540, line 112 the amount of interest and penalties.

Line 112 (Form 540) – Interest and Penalties

Interest. Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15** days, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for **interest rates**.

Late Filing of Tax Return. If you do not file your tax return by October 15, 2013, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 15, 2013. The minimum penalty for filing a tax return more than 60 days late is \$135 or 100% of the balance due, whichever is less.

Late Payment of Tax. If you fail to pay your total tax liability by April 15, 2013, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return is paid by the original due date of the return. However, the imposition of interest is mandatory. If, after April 15, 2013, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

Penalties. To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return, or California Individual Use Tax return.

Other Penalties. We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Line 113 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).

The FTB can figure the penalty for you when you file your tax return and send you a bill.

Is line 94 less than \$500 (\$250 if married/RDP filing separately)?

Yes Stop. You are not subject to an estimated payment penalty.

No Continue. You may be subject to an estimated payment penalty.

Is line 94 less than 10% of the amount on line 48? Form 540 filers: this excludes the tax on lump-sum distributions on Form 540, line 34.

Yes Stop. You are not subject to an estimated payment penalty.

No You may be subject to an estimated payment penalty; get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries (or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen).

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chaptered during and operative for the taxable year of the underpayment. To request a waiver of the underpayment of estimated tax penalty, get form FTB 5805 or form FTB 5805F. See "Where To Get Income Tax Forms and Publications" on page 54.

If you complete one of these forms, attach it to the back of your Form 540/540A. Enter the amount of the penalty on line 113 and check the correct box on line 113. Complete and attach the form if you claim a waiver, use the annualized income installment method, or pay tax according to the schedule for farmers and fishermen, even if you do not owe a penalty.

See "Important Dates" on page 2, for more information on estimated tax payments and how to avoid the underpayment penalty.

See the instructions for Form 540, line 114 for information about figuring your payment, if any.

Line 114 (Form 540) – Total Amount Due

Is there an amount on line 111?

Yes Add line 111, line 112, and line 113. Enter the result on line 114. For payment options, see line 111 instructions.

No Go to line 115.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Refund or No Amount Due

Line 115 (Form 540A) – Refund or No Amount Due

If you did not enter an amount on line 95 or line 110, enter the amount from line 93 on line 115. This is the amount that will be refunded to you. If it is less than \$1, attach a written statement to your Form 540A requesting the refund.

Subtract line 95 and line 110 from line 93. If the result is zero or more, enter the result on line 115. If the combined amount of line 95 and line 110 is more than line 93, enter the difference on line 111.

Line 115 (Form 540) – Refund or No Amount Due

Did you report amounts on line 95, line 110, line 112, or line 113?

No Enter the amount from line 93 on line 115. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 requesting the refund.

Yes Combine the amounts from line 95, line 110, line 112, and line 113. If the result is:

- More than line 93, subtract line 93 from the sum of line 95, line 110, line 112, and line 113 and enter the result on line 114. This is your total amount due. For payment options, see line 111 instructions.
- Less than line 93, subtract the sum of line 95, line 110, line 112, and line 113 from line 93 and enter on line 115. This is your refund amount.

Want a fast refund? Get your refund in 10 days or less when you e-file your tax return.

Direct Deposit (Refund Only)

Line 116 and Line 117 – Direct Deposit of Refund

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540/540A, line 116 and line 117. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration on this page.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

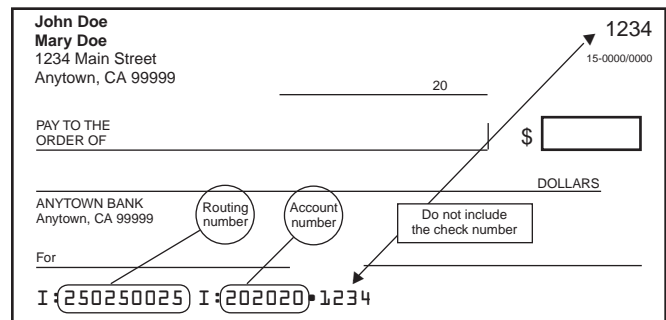

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 116 and line 117 must equal the total amount of your refund on line 115. If line 116 and line 117 do not equal line 115, the FTB will issue a paper check.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Sign Your Tax Return

You must sign your tax return in the space provided on Form 540, Side 3 or Form 540A, Side 3. If you file a joint tax return, your spouse/RDP must sign the tax return also.

Include your phone number and email address in case the FTB needs to contact you for information needed to process your tax return. By providing this information the FTB will be able to process your tax return or issue your refund faster.

Joint Tax Return. If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other may be liable. See "Innocent Joint Filer Relief," on page 20.

Paid Preparer's Information. If you pay a person to prepare your Form 540/540A, that person signs and completes the area at the bottom of Form 540, Side 3 or Form 540A, Side 3 including an identification number. Effective January 1, 2011, the IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee. If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2012 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also print the designee's name and telephone number.

If you check the "Yes" box you, and your spouse/RDP, if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, get form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2013 tax return. This is April 15, 2014, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee's name.

Power of Attorney. If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to this tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a "Power of Attorney" (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, get form FTB 3520, available at ftb.ca.gov. See "Where To Get Income Tax Forms and Publications" on page 54.
