

INSTRUCTIONS FOR DR 1079

Use DR 1079 to remit Colorado tax withheld on transfers of real property interests. The determination of the amount to be withheld, if any, will be made on DR 1083.

The amount of the withholding tax remitted will be credited to the Colorado income tax account of the transferor as an estimated payment. The transferor must claim credit for the payment on the Colorado income tax return. For this reason it is extremely important that a separate DR 1079 is completed for each transferor who will be required to file a Colorado income tax return, and that the correct social

security number (for individuals) or Colorado account number (for other business entities) is listed on each form.

Send DR 1079, remittance for the tax withheld and DR 1083 to the Colorado Department of Revenue, Denver, CO 80261-0008, within 30 days of the date of closing. Be sure to round your payment to the nearest dollar. The amount on the check and the amount entered on the payment voucher must be the same. This will help maintain accuracy in your tax account. Write the social security number or Colorado account number and the transferor's name on the check.
