PUBLIC SERVICE VEHICLE LICENSED DEALER/REPAIRER INSPECTOR REPORT R-361 REV. 6-2007

STATE OF CONNECTICUT DEPARTMENT OF MOTOR VEHICLES COMMERCIAL VEHICLE SAFETY DIVISION

Instructions for Owner/Carrier: This report is to be used by a Connecticut licensed dealer/repairer. When inspecting any service bus or taxicab motor vehicle for registration purposes (*Renewals Only*).

- 1. The owner/carrier of the vehicle must complete Section A in its ENTIRETY.
- 2. The owner/carrier must submit a photocopy of this PASSED report along with the renewal form.

Instructions for Connecticut Licensed Dealer/Repairer: The Connecticut licensed dealer/repairer must complete Section B, C, and the certification in Section D in its **ENTIRETY**. By completing Section (D), the licensed dealer/repairer is certifying that the vehicle meets inspection standards as outlined by the Department of Motor Vehicles. If repairs are not completed by the inspecting facility, the dealer or repairer must allow for one free inspection. All of the defects on the report must be repaired before the vehicle can be passed.
