I (we) have entered into a real estate sales contract (the "**Sales Contract**") with the buyer or buyers named in that Sales Contract (the "**Buyer**") to sell to the Buyer the residence described in the Sales Contract (the "**Residence**"). In order to finance the purchase of the Residence, the Buyer has applied for a mortgage loan (the "**Mortgage Loan**") from the Illinois Housing Development Authority (the "**Authority**"). I (we) declare and state, as an essential part of the Buyer's Mortgage Loan application, as follows:

A. RESIDENCE REQUIREMENTS

(1) The Residence is located at the following addr	ress:
--	-------

(2) The Sales Contract requires me (us) to surrender possession of the Residence to the Buyer not more than 60 days after the closing of the sale of the Residence to the Buyer (the "**Closing Date**").

(3) The Residence consists of real estate (or an interest in real estate) upon which there is located or (in the case of new construction) will be built a structure designed for use as a residence.

(4) Neither the Buyer, anyone related to the Buyer, nor any person who, to my (our) knowledge, is acting on behalf of the Buyer (directly or indirectly) has asked me (us), anyone related to me (us) or anyone acting on my (our) behalf (directly or indirectly), (a) to acquire any land not owned by me (us) at the time the Buyer first indicated an interest in purchasing the Residence for the purpose of selling it to the Buyer as part of the purchase of the Residence or (b) to increase the amount of land originally offered for sale by me (us) in connection with the Residence.

(5) If the Residence is a two, three or four family residence, it was first occupied as a residence at least five years prior to the execution of the mortgage securing the Mortgage Loan. [Note: this paragraph does not apply if the Residence is new construction.]

B. PURCHASE PRICE REQUIREMENTS

(6) Except for the Sales Contract and other contracts listed below (together, the "**Contracts**"), neither I (we), nor any person acting on my (our) behalf (directly or indirectly), nor any party related to me (us) has entered into any contract, arrangement or understanding with the Buyer, or anyone related to Buyer, or any person who, to my (our) knowledge, is acting on behalf of the Buyer (directly or indirectly), relating to (i) the purchase of the Residence and any related personal property or fixtures, (ii) the furnishing of any services (including, but not limited to painting, plastering, landscaping) in connection with the construction and improvement of Residence, (iii) the completion, addition, or re-equipping of the Residence or (iv) the sale of any other real or personal property in connection with the Residence.

Other Contracts (if none, write "NONE"): ____

(7) Except for any fixtures* listed and valued in the Contracts, no fixtures relating to the residence that were used by me (us) are being removed without replacement or substitution by me (us).

***"fixtures"** means an article that was once personal property, but has been installed in or attached to land or a building in such a permanent manner so that such article is regarded as part of the real estate. Examples of articles that ARE fixtures are the kitchen sink, furnace, toilets, linoleum flooring, water pipes, screens and storm windows specifically fitted to the residence. Stoves, ranges, refrigerators, washers and dryers in a single family residence are NOT fixtures.

(8) The total amount to be paid to me (us), anyone related to me (us) or to anyone acting on my (our) behalf (directly or indirectly) for the sale of the Residence, whether under the terms of the Contracts or otherwise is \$______.

INITIAL____ & ____

(Complete Paragraph 9 only if Residence is new construction)
