**Line 30 - Penalty and Interest:** Enter the amount of penalty and interest on the appropriate lines. If this amendment is filed prior to any contact by the Department and the tax shown to be due on this amended return is paid, then penalty will not be assessed. However, additional interest will be due.

If you amend a return after being contacted by the Department and have failed to pay at least 90% of the current tax on or before the original due date of the year being amended, then penalty in addition to interest is due. A 5% penalty is due if the original return was timely filed and the 90% test is not met. A 10% penalty is due if the original return is not filed timely.

Interest is always due on the additional tax as computed on line 29. Interest is added to the unpaid tax at a rate prescribed by law from the due date of the return until payment is received. Interest cannot be waived under any circumstances. Refer to the table on page 2 to calculate interest due on unpaid tax. This table is for payments made in 2012 only.

**Example:** Taxable income on line 9 of the 1040X for tax year 2011 is \$33,000.

6.80% of \$4,220 = \$286.96

Using the 2011 tax rate schedule, this amount is over \$28,780 but not over \$43,170.

plus <u>1,403.90</u> tax \$ 1,690.86

The tax is \$1,403.90 plus 6.8% of \$4,220 (\$33,000 minus \$28,780).
