Important Information Regarding Prepaid Sales Tax on Tobacco Products

Due to recent legislation, effective September 1, 2008, every person selling tobacco products (cigarettes, cigars, smoking tobacco, and smokeless tobacco) to others for resale in Massachusetts must prepay the sales tax on such products held for retail sale. The sales tax will be calculated on each sale by multiplying the price at which such person sells the tobacco products at wholesale by the 5% sales tax rate. The amount of the sales tax must be separately stated on the customer invoice or other record. See TIR 08-9 for more information.

Wholesalers should not deduct any sales of tobacco products for which a prepaid sales tax has been passed on to their customers on line 2 of their sales tax return. These sales should be entered along with all other taxable sales for the month on line 4.

Tobacco retailers will continue to collect sales tax on their sales of all tobacco products as well as other taxable items. The new law allows a retailer of tobacco products a credit on line 8 of their sales tax return in the amount of the prepaid sales tax made to their suppliers against the total amount of sales tax that would normally be due by the retailer for that period.

As result of this new law, the sales tax returns you previously received should be discarded. Beginning with the September 2008 return you must use the enclosed sales tax returns for the remainder of the year.

Form ST-9A Instructions for Annual Sales and Use Tax Return

Rev. 8/08

**Massachusetts
Department of
Revenue**

General Instructions

Who must file Form ST-9A?

Every vendor whose sales and use tax liability (exclusive of meals) is reasonably estimated to be \$100 or less for the calendar year must file Form ST-9A.

When should Form ST-9A be filed?

Form ST-9A must be filed on or before the 20th day of the month following the calendar year indicated on the return. This return must report actual sales for the entire year. All taxes due must be paid at that time. Payments and returns received after the due date will be considered timely if they were properly addressed, mailed first-class and show a U.S. Post Office postmark or private delivery service substantiating date mark dated at least two days before the due date. A return must be filed even if no tax is due. Any return indicating "0" tax due must be e-filed through DOR's Webfile for Business application at www.mass.gov/dor.

A materialman who makes sales taxable under the sales or use tax is required to file a return within 50 days after the expiration of the period covered by the return. A "Materialman," is a person primarily engaged in the retail sale of building material, tools and equipment to building contractors for the improvement of real property and authorized by law to file a mechanics lien upon real property for improvements related to the property. See Technical Information Release 06-16, available at www.mass.gov/dor, for more information.

What if I have paid over sales tax on an account later determined to be worthless?

Vendors who have paid sales tax on accounts which are later determined to be worthless may file a claim for reimbursement with the Department of Revenue. This claim, made on Form ST-BDR, must be filed on or before the due date (including extensions) of your federal income tax return and cover the amount of sales and use tax paid over on accounts determined to be worthless in the prior fiscal year. For more information on this reimbursement, call the Department's Customer Service Bureau at (617) 887-MDOR or toll-free in Massachusetts at 1-800-392-6089.

What if any information shown on the preprinted form is incorrect?

If any preprinted information on these forms is incorrect, or if you have changed your address, make all the necessary changes or corrections through Webfile for Business at www.mass.gov/dor, or on the enclosed Form AI-1, Change of Address/Information.

If the changes involve a change of ownership or organization, report this on Form AI-1. Do not use the existing package of tax returns. File an online application for registration by accessing Webfile for Business at www.mass.gov/dor. The online application will allow you to register as a new business and enable you to file and pay electronically.

What if I need additional information?

Additional information regarding sales and use tax can be found in the Department's "Guide to Sales and Use Tax" which may be obtained by visiting DOR's website at www.mass.gov/dor or by calling the Customer Service Bureau at (617) 887-MDOR or toll-free in Massachusetts at 1-800-392-6089.
