IMPORTANT: Type in the required information while this form is on the screen and print a copy. A personalized scan line will be printed on the voucher using the information you entered. To help ensure your payment is properly credited to your account, verify that the tax-year end date and your Social Security number are included in the scan line.

When you print this voucher, be sure to set the Page Scaling to “None” in your Print options. **DO NOT** check the “Auto-rotate and center pages” or “Shrink to fit” boxes. If they are already checked, click on the box to uncheck them.

Pay Electronically (Free)

- Go to www.revenue.state.mn.us and log in to e-File Minnesota; or
- Call 1-800-570-3329 to pay by phone.

You’ll need your Social Security number and banking information. When paying electronically, you must use an account that is not associated with any foreign banks.

After you authorize the payment, you’ll receive a confirmation number. You can cancel a payment up to one business day before the scheduled payment date, if needed.

Pay by Credit or Debit Card (Fees Apply)

- Go to officialpayments.com; or
- Call 1-800-272-9829.

You will be charged a fee to use this service, which goes directly to Official Payments Corporation (a national company that partners with federal, state and local governments to provide credit/debit card payment services). The department does not have any financial agreement with Official Payments and does not receive any of its fees.

Pay by Check

If you are not paying electronically, you must complete the voucher (below) and send it with your check. All information is required to correctly process your payment.

When you pay by check, your check authorizes us to make a one-time electronic fund transfer from your account, and you will not receive your canceled check.
