Registered Debt Settlement Companies

All debt settlement companies operating in Montana are now regulated by the Department of Justice and are required to register with the Office of Consumer Protection.

If you are aware of a debt settlement company that is operating in Montana but is not on the list of registered companies, please call the Office of Consumer Protection at (406) 444-4500 or (800) 481-6896 and report it immediately.

No State Endorsement: Registration with the Office of Consumer Protection does not imply any endorsement or promotion of these debt settlement companies. If a debt settlement company says that it is endorsed by the State of Montana, that is not the case.
