What's **NEW** for 2012?

General changes for 2012

- **New York State tax rates reduced**
Certain rates within the New York State tax rate schedules have been reduced, and the tax computation worksheets for taxpayers with New York adjusted gross income of more than \$100,000 are now based on filing status.
- **Forms IT-2, IT-1099-R, and IT-1099-UI eliminated**
Taxpayers no longer file New York Forms IT-2, *Summary of W-2 Statements*, IT-1099-R, *Summary of Federal Form 1099-R Statements*, and IT-1099-UI, *Summary of Unemployment Compensation Payments*. Instead, they **must include** the state copy of certain federal forms with their New York State returns. See page 33.
- **Whole dollar amounts required on income tax forms**
For tax years 2012 and after, taxpayers may enter only whole dollar amounts on income tax forms. See page 4.
- **Foreign account information required on Form IT-201**
Taxpayers must now acknowledge if they have a financial account located in a foreign country. See page 13.
- **Dependent exemption information must be entered on Form IT-201**
Taxpayers must now enter information for each dependent for whom they claimed a dependent exemption on Form IT-201. See *Item H* on page 14.
- **Itemized deduction schedule now a separate form**
The itemized deduction schedule has been moved from Form IT-201 to new Form IT-201-D, *Resident Itemized Deduction Schedule*. See the instructions for Form IT-201-D on page 39.
- **Penalty and interest line added to Form IT-201**
Taxpayers may now enter and pay any penalty and interest they owe directly on Form IT-201.
- **Additional account information required on Form IT-201**
For direct deposit or electronic funds withdrawal, taxpayers must now designate whether the checking or savings account is a personal or business account and enter the amount of the electronic funds withdrawal (if applicable).
- **STAR eligibility suspended for certain taxpayers with past-due state tax liabilities**
This program provides that taxpayers whose total past-due state and local tax liabilities are \$4,500 or more, and who own real property, may have their STAR exemptions suspended.
- **Metropolitan commuter transportation mobility tax (MCTMT) threshold increased**
The threshold for imposing the MCTMT on individuals with net earnings from self-employment has increased from \$10,000 to \$50,000 for tax years beginning on or after January 1, 2012. See Form MTA-6, *Metropolitan Commuter Transportation Mobility Tax Return*, and its instructions.

- **Beer production credit**
A new credit is available to registered beer distributors that produce 60,000,000 or fewer gallons of beer in New York State in the tax year. See Form IT-636, *Beer Production Credit*, and its instructions.
- **Empire State Jobs Retention Program**
This program provides tax incentives to businesses that are at risk of leaving the state due to the impact on business operations of an event (such as a natural disaster) leading to an emergency declaration by the governor. See Form IT-634, *Empire State Jobs Retention Program Credit*, and its instructions.
- **New York Youth Works Tax Credit Program**

How do I fill in the forms?

Please follow these guidelines.

Use black ink only (no red or other color ink or pencils) to print or type all entries.

If you show a loss, place a minus sign **immediately to the left** of the loss amount. Do not use [] brackets or parentheses.

Mark an **X** to fill in boxes as appropriate. Do not use a check mark. Keep your Xs and numerals inside the boxes.

Do not write in dollar signs or commas when making entries.

NEW

Entering whole dollar amounts

When entering amounts on your return, including on any credit forms, schedules, or other forms submitted with your New York return, enter **whole dollar amounts only** (zeros have been preprinted).

Use the following rounding rules when entering your amounts; drop amounts below 50 cents and increase amounts from 50 to 99 cents to the next dollar. For example, \$1.39 becomes \$1 and \$2.50 becomes \$3.

How do I use these instructions?

New York State full-year residents: Who must file?

You must file a New York State resident return if you meet any of the following conditions:

- You have to file a federal return.
- You did not have to file a federal return but your federal adjusted gross income for 2012 plus New York additions (see page 15) was more than \$4,000 (\$3,000 if you are single and can be claimed as a dependent on another taxpayer's federal return).
- You want to claim a refund of any New York State, New York City, or Yonkers income taxes withheld from your pay.
- You want to claim any of the refundable or carryover credits in the credit chart on pages 6 through 9.
- You are subject to the minimum income tax (see page 10).

 Do not file Form IT-201 if you were a New York State resident for only part of the year. If you moved into New York State on any day other than January 1, or moved out of New York State on any day other than December 31, see *New York nonresidents and part-year residents*.

Additional notes to all filers:

- Do you have to **submit other forms**? If you need to pay other taxes, see *Other forms you may have to file*.
- To claim tax credits, see the credit charts on pages 6 through 9.

- Does your child have **investment income** over \$1,900? It would be to your advantage to file a New York return for your child to report your child's investment income, since there will be no New York tax on the first \$3,000 of that income. When you file your federal return, report your child's investment income on federal Form 8615 (instead of federal Form 8814). If you file Form 8814, the amount of your child's investment income over \$1,900 that was included in your federal gross income will be reported on your New York return and taxed at your rate.

New York nonresidents and part-year residents:

If you were a nonresident or a part-year resident of New York State and you received income from New York sources in 2012, you must file Form IT-203, *Nonresident and Part-Year Resident Income Tax Return*.

Separate returns are required for some married taxpayers who file a joint federal return.

If one of you was a New York State resident and the other was a nonresident or part-year resident, you must each file a separate New York return. The resident must use Form IT-201. The nonresident or part-year resident, if required to file a New York State return, must use Form IT-203. However, if you both choose to file a joint New York State return, use Form IT-201.

Filing information for same-sex married couples

Same-sex married couples have the same state tax benefits and requirements as different-sex married couples filing and paying New York State personal income tax. If you are married as of the last day of the tax year, you **must use a married filing status** (see *Item A* on page 12) and you **must enter special condition code M3** at item G on your New York return (see page 13).

Since a same-sex married couple may not file a federal return using a married filing status, and federal AGI is the starting point for computing your New York return, you will need to recompute your federal income tax return as if you had been able to use a married filing status (*federal as-if-married return*). Complete your *federal as-if-married return* (including all supporting federal schedules, credit forms, and other

documents), applying all the federal rules for the married filing status you choose. Do not file your *federal as-if-married return*; keep it for your records. For additional information, see our Web site.

Note: Any reference in these instructions (and in any supporting credit forms and other documents submitted with your New York return) to your *federal return*, *federal amount*, *federal credit claimed*, etc., **refers to your federal as-if-married return**.

In addition, the term *spouse* should be read as gender-neutral and includes a person in a marriage with a same-sex spouse. The term *marriage* includes a marriage between same-sex spouses.

If your mailing address is different from your permanent home address (for instance, you use a PO box), enter your permanent home address. Your permanent home address is the address of the dwelling place in New York State where you actually live, whether you or your spouse own or rent it.

- If you use a paid preparer and you use the preparer's address as your mailing address, enter the address of your permanent home in the space provided.
- If you are a permanent resident of a nursing home, enter the nursing home address.
- If you are in the armed forces and your permanent home was in New York State when you entered the military, enter your New York permanent home address regardless of where you are stationed.

- If you moved after December 31, 2012, enter your permanent home address as of December 31, 2012, **not** your current home address. Enter your new home address in the mailing address area if you want your refund and other correspondence sent there.

Dates of birth and social security numbers

Enter your date(s) of birth and social security number(s) in the same order as your names.

New York State county of residence

Enter the county in New York State where you lived on December 31, 2012. If you live in New York City, use one of the following county names:

If you live in	use county

Enter the correct code number and the name of your school district. This is the district where you were a resident on December 31, 2012. School districts and code numbers are on pages 44 through 47. If you do not know the name of your school district, contact your nearest public school.

You must enter your school district name and code number even if you were absent from the school district temporarily, if the school your children attended was not in your school district, or if you had no children attending school. **Incorrect district names and code numbers may affect school aid.**

Decedent information

If the taxpayer whose name is listed **first** on the return died after December 31, 2011, and before you filed your return, enter the date of death in the box labeled *Taxpayer's date of death*, in month, day, and last two digits of year order. If the taxpayer whose name is listed **second** died after December 31, 2011, and before you filed your return, enter the date of death in the box labeled *Spouse's date of death*. See *Deceased taxpayers* on page 42.

In addition, you must make the appropriate entry at item G if you qualify for a 90-day extension of time to file your return because your spouse died within 30 days before the due date of your return (see page 13).

Step 2 – Select your filing status and complete items B through H

Item A

In nearly all cases you must use the same filing status that you used on your federal return. If you did not have to file a federal return, use the filing status you would have used if you had filed.

The only exceptions to this rule apply to married individuals who file a joint federal return and:

- 1) one spouse is a New York State resident and the other is a nonresident or part-year resident. In this case, you must either: (a) file separate New York returns using filing status ③; or (b) file jointly, as if you both were New York State residents, using filing status ②.
- 2) you are unable to file a joint New York return because the address or whereabouts of your spouse is unknown, you can demonstrate that reasonable efforts have been made to locate your spouse, and good cause exists for the failure to file a joint

New York return. In this case, you may file a separate New York return using filing status ③.

- 3) your spouse refuses to sign a joint New York return, reasonable efforts have been made to have your spouse sign a joint return, there exists objective evidence of alienation from your spouse such as judicial order of protection, legal separation under a decree of divorce or separate maintenance, or living apart for the twelve months immediately preceding application to file a separate return or commencement of an action for divorce or commencement of certain family court proceedings, and good cause exists for the failure to file a joint New York return. In this case, you may file a separate New York return using filing status ③.

Item B

If you itemized your deductions on your 2012 federal income tax return, mark an **X** in the **Yes** box. If you claimed the standard deduction on your federal return, mark an **X** in the **No** box.

Item C

If you can be claimed as a dependent on another taxpayer's federal return, you must mark an **X** in the **Yes** box. You must mark the **Yes** box even if the other taxpayer did not claim you as a dependent. For example, if another taxpayer was entitled to claim you as a dependent on his or her federal return, but chose not to so that you can claim the federal education credit, you must mark the **Yes** box.

Item D

If you marked Yes on federal Schedule B, then mark an **X** in the **Yes** box.

Item E

Leave item E blank if you are a full-year New York City resident. If you, or your spouse if married filing jointly, maintained or had use of an apartment or living quarters in New York City during any part of 2012 (whether or not you personally used those living quarters for any part of the year), you must mark an **X** in the **Yes** box on line E(1) and enter the number of days you were in New York City, even if on personal business, on line E(2). (**Married filing jointly?** If both spouses spent days in New York City, enter the higher number of days on line E(2).) Do not count days traveled through New York City to use a common carrier such as an airplane, train, or bus.

Living quarters include a house, apartment, co-op, or any other dwelling that is suitable for year-round use, that **you or your spouse maintain or pay for**, or that is **maintained for your primary use** by another person, family member, or employer. For example, if a company were to lease an apartment for the use of the company's president or chief executive officer, and the dwelling was principally available to that individual, the individual would be considered as maintaining living quarters in New York even though others might use the apartment on an occasional basis.

Note: If you marked the **Yes** box on line E(1) and you spent 184 days or more (any part of a day is a day for this purpose) in New York City, you may be considered a resident for New York City income tax purposes. The determination of residency is based on the facts and circumstances of your own situation. See the definitions of *Resident*, *Nonresident*, and *Part-year resident* in these instructions, and the *Nonresident Audit Guidelines* available on our Web site. If you meet the definition, complete the New York City resident taxes and credits lines (47 through 53, and 64, 69, and 70) on Form IT-201. See the instructions on pages 26, 27, 28, 31, and 32.

Item F**NYC residents and NYC part-year residents only:**

Enter in the applicable box the number of months you and your spouse (if filing a joint return) lived in New York City during 2012. We need this information to verify your New York City school tax credit.

All other taxpayers should leave the boxes at item F blank.

Item G

If you qualify for one or more of the special conditions below, enter the specified 2-character code(s).

Code A6 Build America Bond (BAB) interest

Enter this code if you included BAB interest in your federal AGI. For additional information, see TSB-M-10(4)I, *Treatment of Interest Income from Build America Bonds*, available on our Web site.

Item H

Enter the required information for each **dependent** for whom you claimed an exemption on federal Form 1040 or 1040A. Also enter the required information for any dependent for whom you were entitled to claim an exemption on your federal return but chose not to (see *Example* below). If you did not have to file a federal return, enter the required information for each dependent for whom an exemption would be allowed for federal income tax purposes.

Example: *You were entitled to claim your daughter as a dependent on your federal return but chose not to in order to allow her to claim a federal education credit on her federal tax return; you may still claim her as a dependent on your New York State return.*

If you have more than 9 dependents, submit a separate piece of paper marked **Form IT-201- item H continued**, and enter the required information for the additional dependents on that paper (be sure to include your name and social security number at the top of each sheet).

Note: If you are married filing a joint federal return but are required to file separate returns for New York State (see page 5), complete item H as if you had filed separate federal returns.

Step 3 – Enter your federal income and adjustments

Lines 1 through 19 – Federal income tax return information

The computation of your New York State (and New York City and Yonkers) income tax is based on information you reported on your federal income tax return, including your income and federal adjustments to income. If you did not file a federal return, you must report the same income and adjustments that you would have reported for federal income tax purposes if you had filed a federal return.

Be sure to enter your total other income on **line 16** and your total federal adjustments to income on **line 18**. Write each type of income and each adjustment and its amount in the *Identify* areas on lines 16 and 18. If you need more room, submit a list showing each type of income and each adjustment and its amount.

Enter only whole dollar amounts on your New York return (see page 4).

Do not leave line 19 blank.

Step 4 – Calculate your New York additions and subtractions

Overview

The computation of your New York State income tax is based on your New York AGI, which is your federal AGI modified by certain New York adjustments (New York additions and New York subtractions).

New York State taxes certain items of income not taxed by the federal government. You must add these **New York additions** to your federal AGI. Enter any of the listed additions on lines 20 through 23.

Similarly, New York State does not tax certain items of income taxed by the federal government. You must subtract these **New York subtractions** from federal AGI on lines 25 through 31.

Partners

If you have income from a partnership, include any New York adjustments that apply to that income.

The **New York additions** relating to your partnership income will be shown on your Form IT-204-IP, *New York Partner's Schedule K-1*, lines 20a through 20f. If you have an addition to your partnership income relating to interest income on state and local bond obligations (EA-3), include that amount on your Form IT-201, line 20. If you have an addition to your partnership income relating to New York's 529 college saving program distributions (EA-18), include that amount on your Form IT-201, line 22 (see the instructions for line 22). For all other additions relating to your partnership income, write in the applicable item number(s) (EA-1 through EA-20) and the amount of each addition in the *Identify* area of line 23. Enter the total amount of these additions, and any other additions reported on line 23, in the money column.

The **New York subtractions** relating to your partnership income will be shown on your Form IT-204-IP, lines 22a through 22f. If

you have a subtraction from your partnership income relating to interest income on U.S. government bonds (ES-3), include that amount on your Form IT-201, line 28. If you have a subtraction from your partnership income relating to New York's 529 college saving program deduction/earnings (ES-24 and ES-25), include that amount on your Form IT-201, line 30 (see the instructions for line 30). For all other subtractions relating to your partnership income, write in the applicable item number(s) (ES-1 through ES-26) and the amount of each subtraction in the *Identify* area of line 31. Enter the total amount of these subtractions, and any other subtractions reported on line 31, in the money column.

Beneficiaries (estates and trusts)

If you have income from an estate or trust, any New York adjustments that apply to that income, as well as any additions to or subtractions from federal itemized deductions, will be shown in your share of a single fiduciary adjustment. If the adjustment is a net addition, include this amount on line 23; if the adjustment is a net subtraction, include this amount on line 31. Identify this item as **FA** and include the amount in the *Identify* area of these lines.

If you filed federal Form 4970, *Tax on Accumulation Distribution of Trusts*, the income you reported on line 1 of Form 4970 is not included on line 11 of Form IT-201 because the IRC considers the distribution part of federal gross income. You must therefore include on line 23 the amount of **income you reported on Form 4970, line 1, less any interest income on state and local bonds and obligations of New York State and its local governments** (that was included on Form 4970, line 5). Be sure to identify the source of this income as **Form 4970 income** in the *Identify* area.

S corporation shareholders

If you are a shareholder of a federal S corporation for which the election to be a New York S corporation was in effect for the tax year, include any of the following additions and subtractions that apply to your pro rata share of S corporation items of income, gain, loss, or deduction. Additions A-26, A-27, and A-28, and subtraction S-37 do not apply to you since they apply only to nonelecting S corporations. If the election to treat the corporation as a New York S corporation terminated during the tax year, you must make the additions and subtractions only to the extent they are attributable to the period for which the election to be a New York S corporation was in effect. Obtain your share of S corporation items of income, gain, loss, and deduction from the S corporation.

If you are a shareholder of an S corporation that was eligible to make the election to be a New York S corporation for the tax year but did not make the election, include additions A-26, A-27, A-28, and subtraction S-37.

If you were not eligible to make the election to treat your corporation as a New York S corporation because the corporation was not subject to Article 9-A, general business corporation franchise tax, or Article 32, banking corporation franchise tax, include any of the following additions and subtractions that apply to your pro rata share of S corporation items of income, gain, loss, or deduction. Additions A-25 through A-28, and subtractions S-36 and S-37 do not apply to you since they apply only to electing and nonelecting New York S corporations.

If a gain or loss is recognized on your federal income tax return due to the disposition of stock or indebtedness of an S corporation that did not elect to be a New York S corporation for any tax year after December 31, 1980, make addition A-28 or subtraction S-36, whichever applies to you.

You must make the adjustments for the tax year of the S corporation that ends in your tax year.

New York additions**Line 20 – Interest income on state and local bonds and obligations**

Do you have interest income from state and local bonds and obligations from states other than New York State or its local governments? If **No**, go to line 21.

If **Yes**, enter any such interest income that you received or that was credited to you during 2012 that was **not** included in your federal AGI. This includes interest income on state and local bonds, interest and dividend income from tax-exempt bond mutual funds, and tax-exempt money market funds that invest in obligations of states other than New York.

If you purchased a bond between interest dates, include the amount of interest you received during the year, less the seller's accrued interest (the amount accrued from the interest date preceding your purchase to the date you purchased the bond). If you sold a bond between interest dates, include the amount of interest you received during the year plus the accrued interest amount (the amount accrued from the interest date preceding the date you sold the bond to the date you sold the bond). You should have received this information when you purchased or sold the bond.

Line 21 – Public employees 414(h) retirement contributions

Are you a public employee of NYS or its local governments? If **No**, go to line 22.

If **Yes**, enter the amount of 414(h) retirement contributions, if any, shown on your wage and tax statement(s), federal Form W-2, if you are:

- a member of the NYS and Local Retirement Systems, which include the NYS Employees' Retirement System and the NYS Police and Fire Retirement System; **or**
- a member of the NYS Teachers' Retirement System; **or**
- an employee of the State or City University of New York who belongs to the Optional Retirement Program; **or**
- a member of the NYC Employees' Retirement System, the NYC Teachers' Retirement System, the NYC Board of Education Retirement System, the NYC Police Pension Fund or the NYC Fire Department Pension Fund; **or**
- a member of the Manhattan and Bronx Surface Transit Operating Authority (MABSTOA) Pension Plan.

Do not enter contributions to a section 401(k) deferred arrangement, section 403(b) annuity or section 457 deferred compensation plan.

Line 22 – New York's 529 college savings program distributions

Did you make a withdrawal during 2012 from an account established under **New York's 529 college savings program**? If **No**, go to line 23.

If **Yes**, and the withdrawal was a nonqualified withdrawal, you must complete the worksheet on page 16.

A withdrawal is nonqualified if: 1) the withdrawal is actually disbursed in cash or in-kind from the college savings program and the funds are not used for the higher education of the designated beneficiary (even if the amount withdrawn is reinvested in **New York's 529 college savings program** within the Internal Revenue Code 60-day rollover period); or 2) on or after January 1, 2003, the funds are transferred from **New York's 529 college savings program** to another state's program (whether for the same beneficiary or for the benefit of another family member). However, nonqualified withdrawals **do not** include any withdrawals made in 2012 as a result of the death or disability of the designated beneficiary, regardless of how the funds are used.

Note: Transfers between accounts of family members not disbursed in cash or in-kind within New York's program are not considered distributions and are therefore not required to be added back as nonqualified withdrawals.

Include the applicable amounts from all existing accounts you own on lines 1 through 7 of the worksheet on page 16. Do not include amounts applicable to accounts that were closed in a prior tax year. If you are filing a joint return, include the applicable amounts from all existing accounts owned by you and your spouse.

Also include on lines 1 and 2 of the worksheet your share of any amounts withdrawn or contributed by a partnership of which you are a partner. A partnership includes a limited liability company (LLC) that has elected to be treated as a partnership for federal income tax purposes.

Please note: Before completing the worksheet below, you must first compute your Form IT-201, line 30, subtraction for **New York's** 529 college savings program for 2012.

Worksheet

- 1 Total current and prior years' nonqualified withdrawals from your account(s)..... 1 _____
- 2 Total current and prior years' contributions to your account(s)..... 2 _____

- 4 Subtract line 3 from line 2..... 4 _____
- 5 Total prior years' addition modifications** 5 _____
- 6 Add lines 4 and 5..... 6 _____
- 7 Subtract line 6 from line 1. This is your current year addition modification. Enter this amount on Form IT-201, line 22 7 _____

If line 7 is **0** (zero) or less, there is no entry required on Form IT-201, line 22.

* These amounts are included in line 28 of your 1998, 1999, and 2000 Form IT-201 (S-26 subtraction modification); on Form IT-201-I, line 29 worksheet, line 1, for tax years 2001 through 2004; in line 19 of your 2005 through 2010 Form IT-150 (S-2 subtraction modification); and on Form IT-201-I, line 30 worksheet, line 1, for tax years 2005 through 2011.

** These amounts are included in line 21 of your 1998, 1999 (A-23 addition modification), and 2000 (A-22 addition modification) Form IT-201; on line 21 of your 2001 through 2004 Form IT-201; in line 14 of your 2005 through 2010 Form IT-150 (A-1 addition modification); and on line 22 of your 2005 through 2011 Form IT-201.

Keep this worksheet with your copy of your tax return.

Line 23 – Other additions

Use this line to report the following additions that are not specifically listed on Form IT-201.

Write in the applicable item number(s) (A-1 through A-28) and the amount of each addition in the *Identify* area. Enter the total amount of these other additions in the money column.

A-1 Income from certain obligations of U.S. government agencies or instrumentalities

If, during the tax year, you received or were credited with any interest or dividend income from any U.S. government authority, commission, or instrumentality that federal laws exempt from federal income tax but do not exempt from state income tax, **then** include that income. If you are uncertain whether a particular federal bond or obligation is subject to state income tax, contact the Tax Department (see *Need help?* on the back cover).

A-2 Interest expense on loans used to buy obligations exempt from NYS tax, amortized bond premium on bonds that are exempt from NYS tax and other expenses relating to the production of income exempt from NYS tax

- a) If your federal AGI includes a deduction for interest expense used to buy bonds, obligations, or securities whose interest income is taxable for federal purposes but exempt from New York State tax, **then** include that interest expense.
- b) If your federal AGI includes a deduction for the amortization of bond premiums on bonds whose interest income is taxable for

federal purposes but exempt from NYS tax, **then** include that amortized premium.

- c) If your federal AGI includes a deduction for expenses relating to the production of income which is taxable for federal purposes but exempt from New York State tax, **then** include that interest expense.

A-3 New York City flexible benefits program (IRC 125)

Remember to include this addition modification on line 23 if applicable.

If your wage and tax statement(s), federal Form W-2, show(s) that an amount was deducted or deferred from your salary under a flexible benefits program established by New York City or certain other New York City public employers on your behalf, **then** include this amount. Certain other New York City public employers include:

- City University of New York;
- NYC Health and Hospitals Corporation;
- NYC Transit Authority;
- NYC Housing Authority;
- NYC Off-Track Betting Corporation;
- NYC Board of Education;
- NYC School Construction Authority;
- NYC Rehabilitation Mortgage Insurance Corporation;
- Manhattan and Bronx Surface Transit Operating Authority; and
- Staten Island Rapid Transit Authority.

A-4 Health insurance and the welfare benefit fund surcharge

If you were a career pension plan member of the NYC Employees' Retirement System or the NYC Board of Education Retirement System, **and if** your wage and tax statement(s), federal Form W-2, show an amount that was deducted from your salary for health insurance and the welfare benefit fund surcharge, **then** include this amount.

A-5 Special additional mortgage recording tax deduction

If you deducted special additional mortgage recording tax in computing your federal AGI, and the special additional tax was paid before January 1, 1988, and in a prior year you were allowed a New York State personal income tax credit for that tax, **then** include the amount deducted. Do not make the addition for the tax paid to record a mortgage on or after January 1, 2004, even if you claimed a credit for that tax.

A-6 Special additional mortgage recording tax basis adjustment

If property on which you paid a special additional mortgage recording tax was sold or disposed of, and a special additional tax was paid before January 1, 1988, and in a prior year you claimed a New York State personal income tax credit for that tax, **then** include the amount, if any, of the federal basis of the property that was not adjusted to reflect the amount of the credit allowed.

A-7 Sales or dispositions of assets acquired from decedents

Note: This adjustment is not required for property acquired from decedents who died on or after February 1, 2000.

Assets of decedents can sometimes have different bases for state and federal tax purposes. This requires adjustments in the gain or loss on the sale or disposition of those assets.

If, during the tax year, there was a sale or other disposition of any assets that had been inherited or sold or disposed of directly by the estate of a decedent, **and if** the estate of the decedent was not large enough to require a federal estate tax return, **and if** the executor or administrator of that estate had valued those assets for New York State income tax purposes at less than their value for federal income tax purposes, **then** include the **difference between** (a) the gain or loss on that sale or disposition that you included in your federal AGI for the tax year and (b) the gain or loss that would have resulted if the assets had been valued the same for New York State income tax purposes as for federal income tax purposes.

A-8 Disposition of solar and wind energy systems

If in any tax year beginning on or after January 1, 1981, and ending before December 31, 1986, you took a New York State solar and wind energy credit on property, **and if** that property was sold or otherwise disposed of in 2012, **and if** a reportable gain resulted for federal income tax purposes from that sale or disposition, **and if** you had included the cost of the energy system in the federal basis of the property but did not reduce the federal basis by the state credit, **then** include the amount of the credit you had previously claimed.

A-9 New business investment; deferral recognition

If, in any tax year beginning on or after January 1, 1982, and before 1988, you chose to subtract all or a portion of a long term capital gain from your federal AGI because you reinvested that amount in a new New York business, and you sold that reinvestment in 2012, **then** include the amount that you previously subtracted.

A-10 Qualified emerging technology investments (QETI)

If you elected to defer the gain from the sale of QETI because you reinvested in a New York qualified emerging technology company, **and if** you sold that reinvestment in 2012, **then** you must include the amount previously deferred. See S-14.

Did you file federal Schedule(s) C-EZ, C, E, or F?

If **No**, go to line 25.

If **Yes**, see A-11 through A-28.

A-11 Personal income taxes and unincorporated business taxes deducted in determining federal adjusted gross income

You may not deduct personal income taxes or unincorporated business taxes in computing your New York State adjusted gross income.

If you included a deduction for state, local, or foreign income taxes, including unincorporated business taxes, when computing your federal AGI, **then** you must include the amount of that deduction. For example, if you operated a business and deducted New York City unincorporated business tax on your federal Form 1040, Schedule C, as an expense of doing business, include this tax amount.

Partners

Include your distributive share of state, local, or foreign income taxes, including unincorporated business taxes, deducted in figuring net income.

S corporation shareholders

If you are a shareholder of a federal S corporation for which a New York S election was in effect, **and if** that corporation deducted taxes imposed by Article 9-A (general business corporation franchise tax), or Article 32 (banking corporation franchise tax), of the New York State Tax Law, **then** include your pro rata share of those taxes. (However, you do not need to include state or local taxes of another state, political subdivision of another state, or the District of Columbia.)

A-12 Percentage depletion

If you claimed a deduction on your federal return for percentage depletion, **then** include the amount deducted in computing your federal AGI. Also see S-25.

A-13 Safe harbor leases (see IRC section 168(f)(8))

If, in computing your federal AGI, you took deductions attributable to a safe harbor lease (except for mass transit vehicles) made under an election provided for by IRC section 168(f)(8) as it was in effect for agreements entered into prior to January 1, 1984, **then** include those deductions. Also see A-14, S-27, and S-28.

A-14 Safe harbor leases

If your financial matters in 2012 involved a safe harbor lease (except for mass transit vehicles) made under an election provided for by section 168(f)(8) of the IRC as it was in effect for agreements entered into prior to January 1, 1984, **then** you must include the income that you would have included in your federal AGI if such an election had not been made. Also see A-13, S-27, and S-28.

A-15 Accelerated cost recovery system (ACRS) deduction

If you claimed ACRS depreciation on your federal return for:

- property placed in service during tax years 1981 through 1984 (other than 280F property); **or**
- property placed in service outside New York State during tax years 1985 through 1993 (other than 280F property) and you elect to continue using IRC 167 depreciation (see TSB-M-99(1));

then include the amount that was deducted in computing your federal AGI. You must submit Form IT-399, *New York State Depreciation Schedule*.

A-16 ACRS property; year of disposition adjustment

If you disposed of property that was depreciated for federal purposes using ACRS, and if ACRS depreciation was not allowed for state purposes (see A-15), **then** you must complete Part 2 of Form IT-399, *New York State Depreciation Schedule*, to determine the amount to include. Also see S-30.

A-17 Farmers' school tax credit

If you claimed the farmers' school tax credit on your 2011 New York State tax return, and **if** you deducted your school taxes in computing your federal AGI on your 2011 federal return, **then** you must include the amount of the credit claimed for 2011 on this year's return. However, do not make this modification if you

were required to report the amount of the credit as income on your 2012 federal return.

A-18 Sport utility vehicle expense deduction

If you claimed an IRC section 179 deduction on your federal return with respect to a sport utility vehicle that weighs more than 6,000 pounds, and you are not an eligible farmer as defined for purposes of the farmers' school tax credit (see Form IT-217-I, *Instructions for Form IT-217, Claim for Farmers' School Tax Credit*), **then** include the amount of that deduction.

A *sport utility vehicle* is any four-wheeled passenger vehicle manufactured primarily for use on public streets, roads, and highways. However, *sport utility vehicle* does not include (1) any ambulance, hearse, or combination ambulance-hearse used directly in a trade or business; (2) any vehicle used directly in the trade or business of transporting persons or property for compensation or hire; or (3) any truck, van, or motor home. A *truck* is any vehicle that has a primary load-carrying device or container attached, or is equipped with an open cargo area or covered box not readily accessible from the passenger compartment.

A-19 IRC section 168(k) property depreciation

With the exception of resurgence zone property and New York liberty zone property described in IRC section 1400L(b)(2), New York State does not follow the federal depreciation rules for IRC section 168(k) property placed in service inside or outside New York State on or after June 1, 2003. If you claimed a depreciation deduction for such property, **and if** no exception for resurgence zone or New York liberty zone property applies, **then** complete Part 1 of Form IT-398, *New York State Depreciation Schedule for IRC Section 168(k) Property*, to determine the amount to include. Submit Form IT-398 with your return.

A-20 Special depreciation

If you made an election for tax years beginning before 1987 for:

- special depreciation,
- research and development expenditures,
- waste treatment facility expenditures,
- air pollution control equipment expenditures, **or**
- acid deposition control equipment,

then include the amount of depreciation or expenditures relating to these items that was deducted in computing your federal AGI. Also see S-26.

A-21 Royalty and interest payments made to a related member or members

For tax years beginning on or after January 1, 2003, New York requires certain taxpayers to add back deductions they took on their federal return for certain royalty payments for the use of intangible property, such as trademarks or patents, and interest payments they made to a related member or members. Include the amount for any such payments you deducted on your federal return. See Tax Law section 612(r).

A-22 Environmental remediation insurance premiums

If you paid premiums for environmental remediation insurance and you claimed a deduction for such premiums and you also claimed the environmental remediation insurance credit, Form IT-613, *Claim for Environmental Remediation Insurance Credit*, **then** include the amount of the environmental remediation insurance credit allowed.

A-23 Domestic production activities deduction

If you claimed an IRC section 199 domestic production activities deduction in computing your federal AGI, **then** include the amount deducted.

A-24 Metropolitan commuter transportation mobility tax (MCTMT)

If you claimed a federal deduction for the MCTMT imposed under Article 23 of the Tax Law, **then** include the amount deducted.

Additions A-25 through A-28 apply to S corporation shareholders only. For additional information, see New York State Publication 35, *New York Tax Treatment of S Corporations and Their Shareholders*, and page 15.

A-25 S corporation shareholders; reduction for taxes

If you are a shareholder of an S corporation for which a New York S corporation election was in effect for the tax year, **then** include your pro rata share of the S corporation's reductions for taxes imposed on built-in gains and reductions for taxes imposed on excess net passive income as described in IRC sections 1366(f)(2) and (3).

A-26 S corporation shareholders; pass-through loss or deduction items

If you are a shareholder of an S corporation which is a New York C corporation, **then** include any S corporation pass-through items of loss or deduction you took into account in computing your federal AGI, pursuant to IRC section 1366.

A-27 S corporation shareholders

If you did not include S corporation distributions in your federal AGI due to the application of IRC sections 1368, 1371(e), or 1379(c), **and if** these distributions were not previously subject to New York personal income tax because the corporation was a New York C corporation, **then** include these distributions.

A-28 S corporation shareholders; disposition of stock or indebtedness with increased basis

Federal law requires holders of stock or indebtedness in a federal S corporation to include undistributed taxable income in their federal AGI and take a corresponding increase in basis. New York law requires a similar increase in basis on disposition of the stock or indebtedness where the federal S corporation is or was a New York C corporation.

If you reported a federal gain or loss because of the disposition of stock or indebtedness of an S corporation, **and if** that S corporation was a New York C corporation for any tax year beginning after December 31, 1980 (in the case of a corporation taxable under Article 9-A, general business corporation tax), or December 31, 1996 (in the case of a corporation taxable under Article 32, banking corporation franchise tax), **then** include the increase in the basis of the stock or indebtedness that is due to the application of IRC sections 1376(a) (as in effect for tax years beginning before January 1, 1983) and 1367(a)(1)(A) and (B) for each tax year that a New York S election was **not** in effect.

New York subtractions

Line 26 – Pensions of New York State and local governments and the federal government

Did you receive a pension or other distribution from a NYS or local government pension plan or federal government pension plan? If **No**, go to line 27.

If **Yes**, and the pension or distribution amount was included in your federal AGI, enter any pension you received, or distributions made to you from a pension plan which represents a return of contributions in a year prior to retirement, as an officer, employee, or beneficiary of an officer or employee of:

- NYS, including State and City University of New York and NYS Education Department employees who belong to the Optional Retirement Program.

Optional Retirement Program members may only subtract that portion attributable to employment with the State or City University of New York or the NYS Education Department.

- Certain public authorities, including:
 - Metropolitan Transit Authority (MTA) Police 20-Year Retirement Program;
 - Manhattan and Bronx Surface Transit Operating Authority (MABSTOA); and
 - Long Island Railroad Company.
- Local governments within the state (for more details, see Publication 36, *General Information for Senior Citizens and Retired Persons*).
- The United States, its territories, possessions (or political subdivisions thereof), or any agency or instrumentality of the United States (including the military), or the District of Columbia.

Also include distributions received from a New York State or local pension plan or from a federal government pension plan as a **nonemployee spouse** in accordance with a court-issued qualified domestic relations order (QDRO) that meets the criteria of IRC section 414(p)(1)(A) or in accordance with a domestic relations order (DRO) issued by a New York court. For additional information, see Publication 36.

You may **not** subtract (1) pension payments or return of contributions that were attributable to your employment by an employer other than a New York public employer, such as a private university, and any portion attributable to contributions you made to a supplemental annuity plan which was funded through a salary reduction program, or (2) periodic distributions from government (IRC section 457) deferred compensation plans. However, these payments and distributions may qualify for the pension and annuity income exclusion described in the instructions for line 29 below.

Line 28 – Interest income on U.S. government bonds

Did you include interest income from U.S. government bonds or other U.S. government obligations on lines 2, 6, or 11? If **No**, go to line 29.

If **Yes**, enter the amount of interest income earned from bonds or other obligations of the U.S. government.

Dividends you received from a regulated investment company (mutual fund) that invests in obligations of the U.S. government and meet the 50% asset requirement each quarter qualify for this subtraction. The portion of such dividends that may be subtracted is based upon the portion of taxable income received by the mutual fund that is derived from federal obligations.

Contact the mutual fund for further information on meeting the 50% asset requirement and computing your allowable subtraction (if any).

If you include an amount on line 28 from more than one line on Form IT-201, submit a schedule showing the breakdown from each line.

Do not list the same interest more than once on lines 28 and 31; see the instructions for line 31, S-1 and S-3.

Line 29 – Pension and annuity income exclusion

Did you enter an amount on line 9 or 10 that was not from a NYS or local government pension plan or federal government pension plan? If **No**, go to line 30.

If **Yes**, and you were 59½ before January 1, 2012, enter the qualifying pension and annuity income included in your 2012 federal AGI, **but not more than \$20,000**. If you became 59½ during 2012, enter only the amount received after you became 59½, **but not more than \$20,000**. If you received pension and annuity income and are married, or received pension and annuity income as a beneficiary, see below.

\$20,000 limit – You may **not** take a pension and annuity income exclusion that exceeds \$20,000, regardless of the source(s) of the income.

Qualifying pension and annuity income includes:

- periodic payments for services you performed as an employee before you retired;
- periodic and lump-sum payments from an IRA, but **not** payments derived from contributions made after you retired;
- periodic distributions from government (IRC section 457) deferred compensation plans;
- periodic distributions from an annuity contract (IRC section 403(b)) purchased by an employer for an employee and the employer is a corporation, community chest, fund, foundation, or public school;
- periodic payments from an HR-10 (Keogh) plan, but **not** payments derived from contributions made after you retired;
- lump-sum payments from an HR-10 (Keogh) plan, but only if federal Form 4972 is not used. Do **not** include that part of your payment that was derived from contributions made after you retired;
- periodic distributions of benefits from a cafeteria plan (IRC section 125) or a qualified cash or deferred profit-sharing or stock bonus plan (IRC section 401(k)), but not distributions derived from contributions made after you retired.

Qualifying pension and annuity income **does not** include distributions received as a **nonemployee spouse** in accordance with a court-issued qualified domestic relations order (QDRO) that meets the criteria of IRC section 414(p)(1)(A) or in accordance with a domestic relations order (DRO) issued by a New York court. For additional information, see Publication 36.

Married taxpayers

If you both qualify, you and your spouse can each subtract up to \$20,000 of your own pension and annuity income. However, you cannot claim any unused part of your spouse's exclusion.

Example: *Chris and Pat, both age 62, included total pension and annuity income of \$45,000 in their federal AGI on their joint federal tax return. Chris received qualifying pension and annuity payments totaling \$30,000 and Pat received qualifying payments totaling \$15,000. They are filing a joint New York State resident*

personal income tax return. Chris may claim the maximum pension and annuity income exclusion of \$20,000, and Pat may claim an exclusion of \$15,000, for a total pension and annuity income exclusion of \$35,000.

Beneficiaries

If you received a decedent's pension and annuity income, you may make this subtraction if the decedent would have been entitled to it, had the decedent continued to live, regardless of your age. If the decedent would have become 59½ during 2012, enter only the amount received after the decedent would have become 59½, but not more than \$20,000.

In addition, the pension and annuity income exclusion of the decedent that you are eligible to claim as a beneficiary must first be reduced by the amount subtracted on the decedent's New York State personal income tax return, if any. The total pension and annuity income exclusion claimed by the decedent and the decedent's beneficiaries cannot exceed \$20,000.

If the decedent has more than one beneficiary, the decedent's \$20,000 pension and annuity income exclusion must be allocated among the beneficiaries. Each beneficiary's share of the \$20,000 exclusion is determined by multiplying \$20,000 by a fraction whose numerator is the value of the pensions and annuities inherited by the beneficiary, and whose denominator is the total value inherited by all beneficiaries of the decedent's pensions and annuities.

Example: A taxpayer received pension and annuity income totaling \$6,000 as a beneficiary of a decedent who was 59½ before January 1, 2012. The decedent's total pension and annuity income was \$24,000, shared equally among four beneficiaries. Each beneficiary is entitled to one-quarter of the decedent's pension exclusion, or \$5,000 (\$20,000 divided by 4). The taxpayer also received a qualifying pension and annuity payment of \$14,000 in 2012. The taxpayer is entitled to claim a pension and annuity income exclusion of \$19,000 (\$14,000 attributable to the taxpayer's own pension and annuity payment, plus \$5,000 received as a beneficiary*).

* The total amount of the taxpayer's pension and annuity income exclusion that can be applied against the taxpayer's pension and annuity income received as a beneficiary is limited to the taxpayer's share of the decedent's pension and annuity income exclusion.

Disability income exclusion

If you are also claiming the disability income exclusion, the total of your pension and annuity income exclusion and disability income exclusion cannot exceed \$20,000.

Line 30 – New York's 529 college savings program deduction/earnings distributions

Account owner

During 2012, did you, as an account owner, make contributions to or a withdrawal from one or more tuition savings accounts established under **New York's** 529 college savings program? If **No**, go to line 31.

If you, as an account owner, made contributions, enter the amount up to \$5,000 (\$10,000 for married taxpayers filing a joint return) on line 1 of the worksheet below.

If you, as an account owner, made a withdrawal and part of the withdrawal was included in your federal AGI, **then** enter that amount on line 2 of the worksheet below.

Worksheet

- 1 Amount of contributions you made in 2012 to an account established under **New York's** 529 college savings program* (cannot exceed \$5,000 for an individual, head of household, married taxpayers filing separately, or qualifying widow(er), or \$10,000 for married taxpayers filing a joint return) 1 _____
 - 2 Amount of Qualified Tuition Program distribution included in your federal AGI 2 _____
 - 3 Add lines 1 and 2. **Enter here and on Form IT-201, line 30** 3
- * In determining the amount to enter on lines 1 and 2, also include your share of any amounts contributed or withdrawn by a partnership of which you are a member partner.
- Note:** Keep this worksheet for future-year computations of the line 22 worksheet.

Beneficiary

During 2012, did you, as a beneficiary, receive a withdrawal from one or more tuition savings accounts established under **New York's** 529 college savings program? If **No**, go to line 31.

If **Yes**, and part of the withdrawal was included in your federal AGI (and not included as an account owner on line 2 of the worksheet above), then enter that amount on line 30.

Line 31 – Other subtractions

Use this line to report the following subtractions that are not specifically listed on Form IT-201.

Write in the applicable item number(s) (S-1 through S-37) and the amount of each subtraction in the *Identify* area on line 31. Enter the total amount of these subtractions on line 31 in the money column.

S-1 Certain investment income from U.S. government agencies

Include any interest or dividend income on bonds or securities of any U.S. authority, commission, or instrumentality that is exempt from state income taxes under federal laws (but that you included in your federal AGI).

S-2 Certain railroad retirement income and railroad unemployment insurance benefits

Include supplemental annuity or Tier 2 benefits received under the Railroad Retirement Act of 1974, or benefits received under the Railroad Unemployment Insurance Act that are exempt from state income taxes under federal laws (but that you included in your federal AGI).

S-3 Certain investment income exempted by other New York State laws

Include any interest or dividend income from any obligations or securities authorized to be issued and exempt from state taxation under the laws of New York State. (For example, income received from bonds, mortgages, and income debenture certificates of limited dividend housing corporations organized under the Private Housing Finance Law.)

S-4 Disability income exclusion

Complete Form IT-221, *Disability Income Exclusion*, to compute your disability income exclusion if you were not yet 65 when your tax year ended, **and** you retired on disability, and you were permanently and totally disabled when you retired.

S-5 Long-term residential care deduction

If you were a resident in a continuing-care retirement community that was issued a certificate of authority by the NYS Department of Health, **then** include the portion of the fees you paid during the year that were attributable to the cost of providing long-term care benefits to you under a continuing care contract. However, do not enter more than the premium limitation shown for your age in the *Limitation* table below. If you and your spouse both qualify, you may each take the subtraction. However, you cannot claim any unused part of your spouse's subtraction.

Limitation	
If your age at the end of 2012 was:	You cannot claim more than:
40 or younger.....	\$ 350
at least 41 but not older than 50	660
at least 51 but not older than 60	1,310
at least 61 but not older than 70	3,500
71 or older.....	4,370

S-6 New York State organized militia income

Include income that you received as a member of the New York State organized militia for performing active service within NYS due to either state active duty orders issued in accordance with Military Law section 6.1 or federal active duty orders, for service other than training, issued in accordance with Title 10 of the United States Code, that was included in your federal AGI. Do not include any income you receive for regular duties in the organized militia (for example, pay received for the annual two-week training program). Members of the NYS organized militia include the New York Army National Guard, the New York Air National Guard, the New York Naval Militia, and the New York Guard.

S-7 Loss from the sale or disposition of property that would have been realized if a federal estate tax return had been required

Note: This subtraction cannot be made for property acquired from decedents who died on or after February 1, 2000.

If you acquired a decedent's property and, as valued by the executor, the estate was insufficient to require a federal estate tax return, **and** if a loss on the sale would have been realized if a federal estate tax return had been required, **then** include the amount of the loss.

S-8 Accelerated death benefits received that were includable in federal adjusted gross income

Include any amount you included in your federal AGI that was received by any person as (a) an accelerated payment or payments of part or all of the death benefit or special surrender value under a life insurance policy, or (b) a viatical settlement, as a result of a terminal illness (life expectancy of 12 months or less), or of a medical condition requiring extraordinary medical treatment, regardless of life expectancy.

S-9 Contributions for Executive Mansion, natural and historical resources, not deducted elsewhere

Include contributions you made, not deducted elsewhere, (a) to preserve, improve, and promote the Executive Mansion as a New York State historical resource, or (b) to the Natural Heritage Trust to preserve and improve the natural and historical resources of NYS. **Do not** include amounts you deducted in determining federal AGI or New York itemized deductions.

S-10 Distributions made to a victim of Nazi persecution

Include amounts you included in your federal AGI from an eligible settlement fund or grantor trust as defined by section 13 of the Tax Law (because you were persecuted or targeted for persecution by the Nazi regime), or distributions received because of your status as a victim of Nazi persecution, or as a spouse or heir of the victim (successors or assignees, if payment is from an eligible settlement fund or grantor trust).

S-11 Items of income related to assets stolen from, hidden from, or otherwise lost to a victim of Nazi persecution

Include items of income you included in your federal AGI attributable to, derived from, or in any way related to assets stolen from, hidden from, or otherwise lost to a victim of Nazi persecution immediately prior to, during, and immediately after World War II, including but not limited to interest on the proceeds receivable as insurance under policies issued to a victim of Nazi persecution by European insurance companies immediately prior to and during World War II, or as a spouse or heir of such victim.

However, do not include income attributable to assets acquired with assets as described above or with the proceeds from the sale of any asset described above. Also, do not include any income if you were not the first recipient of the asset, or if you are not a victim of Nazi persecution, or a spouse or descendant of a victim.

S-12 Professional service corporation shareholders

If in a taxable year ending after 1969 and beginning before 1988, you were required to add to your federal AGI deductions made by a plan acquired through membership in a professional service corporation (PSC), **then** include the portion of those deductions that can be allocated to pension, annuity, or other income you received from the plan, and were included in your 2012 federal AGI.

S-13 Gain to be subtracted from the sale of a new business investment reported on your federal income tax return

If you reported a capital gain on your federal income tax return from the sale of a new business investment, as defined in NYS Tax Law section 612(o), that was issued before 1988 and was held at least six years, **then** include one-hundred percent (100%) of that federal gain.

S-14 Qualified emerging technology investments (QETI)

In general, you may defer the gain on the sale of QETI that are (1) held for more than 36 months, and (2) rolled over into the purchase of replacement QETI within 365 days from, and including, the date of sale. However:

- You must recognize any gain to the extent that the amount realized on the sale of the original QETI exceeds the cost of replacement QETI;

- You must add back any deferred gain in the year you sell the replacement QETI; and
- The gain deferral applies only to QETI sold on or after March 12, 1998, that was held for more than 36 months.

If you elect to defer the gain from the sale of QETI, **then** include the amount of the deferred gain. This amount may not exceed the amount of the gain included in your federal AGI.

- If the purchase of replacement QETI within the 365-day period occurred in the same taxable year as the sale of the original QETI, or in the following taxable year and before the date you filed your personal income tax return, **then**, take the deduction on that return.
- If the purchase of replacement QETI within the 365-day period occurred in the following taxable year and on or after the date you filed your personal income tax return, **then** you must file Form IT-201-X, *Amended Resident Income Tax Return*, to claim the deduction (see *Other forms you may have to file*).
- If the deferred gain must be included in a subsequent year's tax return because the replacement QETI has been sold, **then** include that amount as an addition to federal AGI (see A-10).

A QETI is an investment in the stock of a corporation, or an ownership interest in a partnership or limited liability company (LLC) that is a qualified emerging technology company, or an investment in a partnership or an LLC to the extent that such partnership or LLC invests in such companies. The taxpayer must acquire the investment as provided in IRC section 1202(C)(1)(B), or from a person who acquired it pursuant to that section. IRC section 1202(c)(1)(B) requires the acquisition to be original issue from the company, either directly or through an underwriter, and in exchange for cash, services, or property (but not in stock).

A *qualified emerging technology company* (QETC) is a company that is located in New York State, has total annual product sales of 10 million dollars or less, and meets certain criteria. See Form DTF-620, *Application for Certification of a Qualified Emerging Technology Company*.

S-15 Sales or dispositions of assets acquired before 1960 with greater state than federal bases

New York State income tax laws prior to 1960 and current laws regarding depletion can result in a difference in the state and federal adjusted bases of certain assets. If you realize a federally taxable gain from the sale of an asset that had a higher adjusted basis for state tax purposes, you may make an adjustment to reduce your gain for state tax purposes.

If your federal AGI included gain that was from **either**:

- property that had a higher adjusted basis for NYS income tax purposes than for federal tax purposes on December 31, 1959 (or on the last day of a fiscal year ending during 1960); **or**
- property that was held in connection with mines, oil or gas wells, and other natural deposits and that had a higher adjusted basis for NYS income tax purposes than for federal tax purposes when sold;

then include the **lesser of** the gain itself **or** the difference in the adjusted bases.

Note: If you divide gain with respect to jointly owned property between you and your spouse, then you must also divide any subtraction for different adjusted bases between you and your spouse.

S-16 Income earned before 1960 and previously reported to New York State

Include any income (including annuity income) or gain you included in your 2012 federal AGI that you (or the decedent or estate or trust from whom you acquired the income or gain)

properly reported to NYS prior to 1960 (or during a fiscal year ending in 1960.)

S-17 Living organ donors

If during the tax year you were a living donor who donated one or more of your organs to another person for human organ transplantation, **then** include unreimbursed expenses incurred for travel, lodging, and lost wages, up to a maximum of \$10,000. **You may claim this subtraction only once during your lifetime.**

Married taxpayers: If you both qualify, you and your spouse can each claim a subtraction up to \$10,000. However, you cannot claim any unused part of your spouse's subtraction.

S-18 Military pay

Include military pay you included in your federal adjusted gross income that you received for active service as a member in the armed services of the United States in an area designated as a combat zone.

You may deduct interest expense you incur to buy an obligation that generates investment income that is taxable to a trade or business. If you included, on either line 20 or line 23, interest income from bonds or other obligations that is federally tax exempt but taxable to NYS, and the expense you incurred in buying the obligation is attributable to a trade or business you carried on, **then** include that expense.

S-22 Trade or business expenses (other than interest expense) connected with federally tax-exempt income that is taxable to New York State

You may deduct expenses you incur to acquire or maintain income that is taxable to a trade or business. If you included, on either line 20 or line 23, income that is federally tax exempt but taxable to NYS, **and if** the expense you incurred to either produce or collect that income or manage, conserve or protect the assets that produce that income was not deducted for federal purposes, **and if** those expenses are attributable to a trade or business you carried on, **then** include that expense.

S-23 Amortizable bond premiums on bonds that are owned by a trade or business and the interest on which is federally tax-exempt income but taxable to New York State

You may deduct expenses you incur to buy an obligation that generates investment income that is taxable to a trade or business.

If you are including, on either line 20 or line 23, interest income that is federally tax exempt but taxable to New York State, **and if** those bonds were bought for more than their face value (i.e., at a premium), **and if** you did not reduce your federal AGI by deducting the amortization of that premium attributable to 2012, **and if** those bonds were owned by a trade or business carried on by you in 2012 (as opposed to personal investments), **then** include that amortization.

S-24 Wage and salary expenses allowed as federal credits but not as federal expenses

If you took a federal credit for which a deduction for wages and salary expenses is not allowed under IRC section 280C, **then** include the amount of those wages you did not deduct on your federal return.

S-25 Cost depletion

If you are making addition A-12 for any percentage depletion, **then** include the cost depletion that IRC section 611 would allow on that property without any reference to either IRC section 613 or 613-A.

S-26 Special depreciation expenditures

You may carry over excess expenditures you incurred in taxable years beginning before 1987 in connection with depreciable, tangible business property located in New York State to the following tax year or years, and deduct such expenditures in computing your New York AGI for that year or years, if the expenditures exceed your New York AGI for that year before the allowance of those expenditures. Complete Form IT-211, *Special Depreciation Schedule*, to compute the amount to include. Submit Form IT-211 with your return.

S-27 Safe harbor leases

Include any amount you included in federal AGI (except for mass transit vehicles) solely because you made the safe harbor election on your federal return for agreements entered into before January 1, 1984.

S-28 Safe harbor leases

Include any amount that you could have excluded from federal AGI (except for mass transit vehicles) had you not made the safe harbor election on your federal return for agreements entered into before January 1, 1984.

S-29 New York depreciation allowed

If you claimed ACRS depreciation on your federal return for:

- property placed in service during tax years 1981 through 1984 (except IRC section 280F property); **or**
- property placed in service outside New York State during tax years 1985 through 1993 (except IRC section 280F property) and you elect to continue using IRC section 167 depreciation (see TSB-M-99(1));

then include the amount of your New York depreciation. Complete and submit Form IT-399, *New York State Depreciation Schedule*, with your return.

S-30 ACRS (year of disposition adjustment)

If you disposed of property in 2012 that was depreciated for federal purposes using ACRS, **and if** your total federal ACRS deduction exceeds your New York depreciation deduction for that property, **then** complete Part 2 of Form IT-399, *New York State Depreciation Schedule*, to compute the amount to include. See A-16. Submit Form IT-399 with your return.

S-31 Sport utility vehicle expense deduction recapture

If you previously claimed an IRC section 179 deduction with respect to a sport utility vehicle that weighs more than 6,000 pounds, **and** you had to recapture any amount of that deduction in computing your federal AGI for 2012, **and if** you are not an eligible farmer as defined for the farmers' school tax credit, **then** include the recapture amount. (See A-18 for the definition of a sport utility vehicle.)

S-32 IRC section 168(k) property depreciation

With the exception of resurgence zone property and New York liberty zone property described in IRC section 1400L(b)(2), New York State does not follow the federal depreciation rules for IRC section 168(k) property placed in service inside or outside New York State on or after June 1, 2003. If you claimed a depreciation deduction for such property, **and if** no exception for resurgence zone or New York liberty zone property applies, **then** complete Part 1 of Form IT-398, *New York State Depreciation Schedule for IRC Section 168(k) Property*, to compute the amount of New York depreciation to include. Submit Form IT-398 with your return.

S-33 IRC section 168(k) property (year of disposition adjustment)

If you disposed of IRC section 168(k) property placed in service inside or outside New York State on or after June 1, 2003 (except for resurgence zone property, and New York liberty zone property described in IRC section 1400L(b)(2)), **and** your total federal depreciation deduction was more than your New York depreciation deduction for that property, **then** complete Part 2 of Form IT-398, *New York State Depreciation Schedule for IRC Section 168(k) Property*, to compute the amount of the disposition adjustment to include. Submit Form IT-398 with your return.

S-34 Royalty and interest payments made to a related member or members

For tax years beginning on or after January 1, 2003, New York requires taxpayers to add back deductions they took on their federal return for certain royalty payments for the use of intangible property, such as trademarks or patents, and interest payments they made to a related member or members. See the instructions for addition A-21. In such a case, the recipient of the payments must subtract the payments in computing New York AGI. If you received such a related member payment, include the amount you included in your federal taxable income. See section 612(r) of the Tax Law.

S-35 Refund of QEZE credit for real property taxes

Include any QEZE credit for real property taxes included in your federal AGI. See TSB-M-10(9)C, (15)I, *New York State Tax Treatment of Refunds of the Qualified Empire Zone Enterprise (QEZE) Credit for Real Property Taxes*.

Subtractions S-36 and S-37 apply to S corporation shareholders only. For additional information, see New York State Publication 35, *New York Treatment of S Corporations and Their Shareholders*.

S-36 S corporation shareholders

If you reported a federal gain or loss because of the disposition of stock or indebtedness of an S corporation, **and if** that S corporation was a New York C corporation for any tax year beginning after December 31, 1980 (in the case of a corporation

taxable under Article 9-A, general business corporation tax), or December 31, 1996 (in the case of a corporation taxable under Article 32, banking corporation franchise tax), **then** include the reduction in basis of the stock or indebtedness that is due to the application of IRC section 1376(b) (as in effect for tax years beginning before January 1, 1983) and 1367(a)(2)(B) and (C) for each tax year that the New York election was **not** in effect.

If, with respect to stock described above, you made any New York additions to federal AGI required under A-27, **then** include the total of those additions. See New York Tax Law section 612(b)(20).

S-37 S corporation shareholders – pass-through income

If you included in your federal AGI any S corporation pass-through income pursuant to IRC section 1366 and the corporation is a New York C corporation, **then** include the pass-through income.

Line 33 – New York adjusted gross income

Do not leave line 33 blank.

Step 5 – Enter your standard or itemized deduction and dependent exemption amounts

Line 34 – Standard or itemized deduction

Follow these steps to determine which deduction to use:

1. If you took the standard deduction on your federal return, or if you did not have to file a federal return, you **must** take the New York standard deduction. Use the **standard deduction table** below to find the standard deduction amount for your filing status. Enter the amount on line 34, mark an **X** in the **Standard** box, and go to line 35.
2. If you itemized deductions on your federal return, use Form IT-201-D, *Resident Itemized Deduction Schedule*, and its instructions beginning on page 39 to compute your New York itemized deduction. Compare the Form IT-201-D, line 16 amount to your New York standard deduction amount from the standard deduction table. For greater tax savings, enter the **larger** of these amounts on line 34 and mark an **X** in the appropriate box, **Standard** or **Itemized**.

**New York State
standard deduction table**

Filing status (see page 12)	Standard deduction (enter on line 34)
① Single and you marked item C Yes	\$ 3,000
① Single and you marked item C No	7,500
② Married filing joint return	15,000
③ Married filing separate return	7,500
④ Head of household (with qualifying person)	10,500
⑤ Qualifying widow(er) with dependent child	15,000

If you are married and filing separate returns (filing status ③), both of you must take the standard deduction unless both of you itemized deductions on your federal returns and both of you elect to itemize deductions on your New York returns.

Note: If you paid qualified college tuition expenses, your New York itemized deduction may be increased to an amount greater than your New York standard deduction. You should complete Form IT-201-D to determine if your allowable New York itemized deduction is greater than your standard deduction.

Line 36 – Dependent exemptions

Unlike on your federal return, you may **not** take personal exemptions for yourself and for your spouse on your New York State return.

The value of each New York State **dependent** exemption is \$1,000.

Enter on line 36 the **number** of your dependent exemptions listed on Form IT-201, item H (and on *Form IT-201 - item H continued*, if needed).

Lines 37 and 38 – Taxable income

Subtract line 36 from line 35. The result is your taxable income. Enter this amount on both line 37 and line 38. If line 36 is more than line 35, leave line 37 and line 38 blank.

Step 6 – Compute your taxes**Line 39 – New York State tax**Is **line 33** (your New York AGI) \$100,000 or less?If **Yes**, find your New York State tax using the *2012 New York State Tax Table* on pages 48 through 55, or if **line 38** is \$65,000 or more, use the *New York State tax rate schedule* on page 56. Enter the tax due on line 39.If **No**, see *Tax computation – New York AGI of more than \$100,000*, beginning on page 57.**Line 40 – New York State household credit**If you marked the **Yes** box at item C on the front of Form IT-201, you do not qualify for this credit and should go to line 41. If you marked **No**, use the appropriate table (1, 2, or 3) and the notes on page 26 to determine the amount to enter on line 40.

- **Filing status ① only (Single)** – Use *New York State household credit table 1*.

- Note 1** For most taxpayers, federal AGI is the amount from **Form IT-201, line 19**. However, if on Form IT-201 you entered special condition code **A6** (for Build America Bond (BAB) interest), your federal AGI is the line 19 amount minus any BAB interest that was included in the line 19 amount.
- Note 2** This amount could be **0** or a negative amount.
- Note 3** For each exemption over 7, add the amount in this column to the column 7 amount.
- Note 4** For most taxpayers, federal AGI is the amount from **Form IT-201, line 19** (or Form IT-203, line 19, *Federal amount* column). Line 50 – Part-year New York City resident tax

If you were a New York City resident for only part of 2012, complete Form IT-360.1, *Change of City Resident Status*. Enter the tax amount on line 50 and submit Form IT-360.1 with your return. For more information see Form IT-360.1-I, *Instructions for Form IT-360.1*.

Line 51 – Other New York City taxes

Enter the total amount of other New York City taxes from Form IT-201-ATT, Part 3, line 34.

 If you are married and filing a joint New York State return and only one of you was a resident of New York City for all of 2012, compute on a separate sheet of paper the NYC resident tax on the New York State taxable income of the city resident as if you had filed separate federal returns reduced by the NYC household credit (if applicable). The spouse that was a part-year NYC resident in 2012 should compute his or her part-year NYC resident tax on Form IT-360.1. Transfer the combined tax amounts of both spouses from your separate sheet to line 51.

Be sure to write the name and social security number of the city resident and **Taxable income of New York City resident** on that paper. Submit it with your return.

If one spouse was a resident of New York City and the other a nonresident for all of 2012, compute on a separate sheet of paper the NYC resident tax on the New York State taxable income of the city resident as if you had filed separate federal returns reduced by the NYC household credit (if applicable). Transfer the amount from your separate sheet to line 51. Be sure to write the name and social security number of the city resident and **Taxable income of New York City resident** on that paper. Submit it with your return.

If you are self-employed and carry on a trade, business, or profession in New York City, you may also be required to file New York City's Form NYC-202, *Unincorporated Business Tax Return for Individuals, Estates and Trusts*, or Form NYC-202S, *Unincorporated Business Tax Return for Individuals*. Since New York State does not administer the NYC unincorporated business tax, do not file your Form NYC-202 or NYC-202S with your state return.

Line 53 – New York City nonrefundable credits

Can you claim either the NYC unincorporated business tax (UBT) credit or the New York City accumulation distribution credit? (See the charts on pages 6 through 9.) If **No**, go to line 54.

Be sure to write the name and social security number of the Yonkers resident and **Yonkers resident income tax surcharge** on that paper, and submit it with your return.

Line 59 – Sales or use tax

Report your sales or use tax liability on this line.

You owe sales or compensating use tax if you:

- purchased an item or service subject to tax that is delivered to you in New York State without payment of New York State and local tax to the seller; or
- purchased an item or service outside New York State that is subject to tax in New York State (and you were a resident of New York State at the time of purchase) with subsequent use in New York State.

Note: You may be entitled to a credit for sales tax paid to another state. See the exact calculation method in the instructions for Form ST-140, *Individual Purchaser's Annual Report of Sales and Use Tax*.

For sales and use tax purposes, a resident includes persons who have a permanent place of abode in the state. Accordingly, you may be a resident for sales tax purposes even though you may not be a resident for income tax purposes. See the instructions for Form ST-140 for more information.

You may not use this line to report:

- any sales and use tax on business purchases if the business is registered for sales and use tax purposes. You must report this tax on the business's sales tax return.
- any unpaid sales and use tax on motor vehicles, trailers, all-terrain vehicles, vessels, or snowmobiles. This tax is paid directly to the Department of Motor Vehicles (DMV). If you will not be registering or titling it at the DMV, you should remit the tax directly to the Tax Department using Form ST-130, *Business Purchaser's Report of Sales and Use Tax*, or Form ST-140.

An unpaid sales or use tax liability commonly arises if you made purchases through the Internet, by catalog, from television shopping channels, or on an Indian reservation, or if you purchased items or services subject to tax in another state and brought them back to New York for use here.

Example 1: You purchased a computer over the Internet that was delivered to your house in Monroe County, New York, from an out-of-state company and did not pay sales tax to that company.

Example 2: You purchased a book on a trip to New Hampshire that you brought back to your residence in Nassau County, New York, for use there.

You may also owe an additional **local** tax if you use property or services in another locality in New York State, other than the locality to which you paid tax. You owe use tax to the second locality if you were a resident of that locality at the time of the purchase, and its rate of tax is higher than the rate of tax originally paid.

Failure to pay sales or use tax may result in the imposition of penalty and interest. The Tax Department conducts routine audits based on information received from third parties, including the U.S. Customs Service and other states.

If you owe sales or use tax, you may report the amount you owe on your personal income tax return rather than filing Form ST-140.

Using the sales and use tax chart below is an easy way to compute your liability for all your purchases of items or services costing less than \$1,000 each (excluding shipping and handling) that are not related to a business, rental real estate, or royalty activities.

Sales and use tax chart**If your**

150,001 - 200,000	87
200,001 and greater	.044% (.00044) of income, or \$250, whichever amount is smaller

* This may be any amount up to \$15,000, including 0 or a negative amount.

You may use this chart for purchases of items or services costing less than \$1,000 each (excluding shipping and handling). You may not use this chart for purchases related to a business, rental real estate, or royalty activities, regardless of the amount.

If you maintained a permanent place of abode in New York State for sales and use tax purposes for only part of the year, multiply the tax amount from the chart by the number of months you maintained the permanent place of abode in New York State and divide the result by 12. (Count any period you maintained the abode for more than one-half month as one month.)

You must use Form ST-140 to calculate your sales and use tax liability to be reported on this return if any of the following apply:

- You prefer to calculate the exact amount of sales and use tax due.
- You owe sales or use tax on an item or service costing \$1,000 or more (excluding shipping and handling).
- You owe sales or use tax for purchases related to a business not registered for sales tax purposes, rental real estate, or royalty activities.

Include the amount from Form ST-140, line 4, on Form IT-201, line 59. **Do not submit Form ST-140 with your return.**

If you owe sales or use tax on an item or service costing \$25,000 or more, you must complete Form IT-135, *Sales and Use Tax Report for Purchases of Items and Services Costing \$25,000 or More*, and submit it with your return.

If you do not owe any sales or use tax, you must enter 0 on line 59. Do not leave line 59 blank.

For additional information on when you may owe sales or use tax to New York, see TB-ST-913, *Use Tax for Individuals (including Estates and Trusts)*. For more information on taxable and exempt goods and services, see TB-ST-740, *Quick Reference Guide for Taxable and Exempt Property and Services*.

Step 7 – Add voluntary contributions

Line 60 (60a through 60h)

You may make voluntary contributions to the funds listed below. Enter the whole dollar amount (no cents, please) of your contribution(s) in the amount boxes (lines 60a through 60h). Enter the total amount of all your contributions combined on line 60.

Your contribution(s) will reduce your refund or increase your tax payment. You cannot change the amount(s) you give after you file your return.

Return a Gift to Wildlife

Your contribution will benefit New York's fish, wildlife, and marine resources, and you can receive a free issue of *Conservationist* magazine. Call 1 800 678-6399 for your free sample issue. For more information about New York State's environmental conservation programs, go to www.dec.ny.gov. For information about *Conservationist*, go to www.TheConservationist.org.

Missing and Exploited Children Clearinghouse (MECC) Fund (*Missing/Exploited Children Fund*)

Each year over 20,000 children are reported missing in New York State. Your contribution will benefit the New York State MECC (part of the Missing Persons Clearinghouse). This organization works with police agencies and parents to locate missing children and to promote child safety through education. Contributions are used to distribute educational materials, disseminate missing child alerts, and conduct investigative training for police officers. For additional information about services and free safety publications visit www.criminaljustice.ny.gov or call 1 800 FIND-KID (346-3543).

Breast Cancer Research and Education Fund (*Breast Cancer Research Fund*)

Your contribution will support ground-breaking research and education in New York State to prevent, treat, and cure breast cancer. Help make breast cancer a disease of the past. For more information, go to www.wadsworth.org/extramural/breastcancer. New York State will match your contribution to the Breast Cancer Research and Education Fund, dollar for dollar.

Alzheimer's Disease Fund (*Alzheimer's Fund*)

Contributions to this fund support services provided by the Alzheimer's Disease Program administered by the New York State Department of Health. This program is designed to provide education, counseling, respite, support groups, and other supportive services to people with Alzheimer's disease, their families, caregivers, and health care professionals.

United States Olympic Committee/Lake Placid Olympic Training Center (*Olympic Fund*)

Contributions to this fund help support the Olympic Training Center in Lake Placid. The \$16 million complex is one of just three U.S. Olympic training centers in the United States. The center is used primarily by U.S. athletes who are training to compete in future winter and summer Olympic and Paralympic sports. Individual contributions must be \$2. If you are married filing jointly and your spouse also wants to contribute, enter \$4.

Prostate Cancer Research, Detection, and Education Fund (*Prostate Cancer Research Fund*)

Your contribution will support education projects and ground-breaking biomedical research studies in New York State to improve the detection and treatment of prostate cancer. New York State will match contributions to the Prostate Cancer Research, Detection, and Education Fund, dollar for dollar.

National September 11 Memorial & Museum at the World Trade Center (*9/11 Memorial*)

Your contribution will help create and sustain the National September 11 Memorial & Museum which will commemorate and honor the thousands of people who died in the attacks of September 11, 2001, and February 26, 1993. The Memorial will recognize the endurance of those who survived, the courage of those who risked their lives to save others, and the compassion of all who supported us in our darkest hours. Help New York State, the nation, and the world remember by making a contribution. For more information, go to www.national911memorial.org.

Volunteer Firefighting and Volunteer Emergency Services Recruitment and Retention Fund (*Volunteer Firefighting & EMS Recruitment Fund*)

Contributions to this fund will help recruit and retain the men and women who make up our volunteer fire and volunteer emergency medical services units. Volunteer firefighters and volunteer emergency medical services workers are crucial to the effective operation of a municipality and for the safety and well-being of the citizens of this state. Volunteer firefighters and volunteer emergency medical services workers provide invaluable benefits to their local communities. Despite their importance, the number of volunteer firefighters and volunteer emergency medical services workers has declined significantly over the past few years. For more information, go to www.dhss.ny.gov/ofpc or contact the State Office of Fire Prevention and Control at (518) 474-6746.

Step 8 – Enter your payments and credits

Line 63 – Empire State child credit

Did you claim the **federal** child tax credit for 2012 or do you have a qualifying child (a *qualifying child* is a child who qualifies for the federal child tax credit and is at least four years of age)?

If **No**, you do not qualify for this credit. Go to line 64.

If **Yes**, review the instructions for Form IT-213 to see if you qualify for this credit. If you qualify, complete Form IT-213 and transfer the amount from Form IT-213 to Form IT-201, line 63. Submit Form IT-213 with your return.

For more information, see the instructions for Form IT-213.

Line 64 – NYS/NYC child and dependent care credit

Did you qualify to claim the **federal** child and dependent care credit for 2012 (whether or not you actually claimed it)?

If **No**, you do not qualify for this credit. Go to line 65.

If **Yes**, complete Form IT-216, *Claim for Child and Dependent Care Credit*, to determine your New York State child and dependent care credit.

If you are a **New York City** resident and your federal AGI* is **\$30,000 or less**, and you have a qualifying child **under four years of age** as of December 31, 2012, review the instructions for Form IT-216 to see if you qualify to claim the NYC child and dependent care credit.

* For most taxpayers, federal AGI is the amount from Form IT-201, line 19. However, if on Form IT-201 you entered special condition code **A6** (Build America Bond (BAB) interest), your federal AGI is the line 19 amount minus any BAB interest that was included in the line 19 amount.

Transfer the amount from Form IT-216 to Form IT-201, line 64. Submit Form IT-216 with your return.

For more information, see the instructions for Form IT-216.

Line 65 – New York State earned income credit (NYS EIC)

Did you claim the **federal** earned income credit for 2012 on your federal income tax return?

If **No**, you do not qualify for this credit. Go to line 66.

If **Yes**, complete Form IT-215, *Claim for Earned Income Credit*, and transfer the amount from Form IT-215 to Form IT-201, line 65. Submit Form IT-215 with your return. For more information, see the instructions for Form IT-215.

 If you are a noncustodial parent and have paid child support through a support collection unit, you may be eligible for the noncustodial parent New York State earned income credit (noncustodial EIC). However, you cannot claim both the NYS EIC and the noncustodial EIC. Review the instructions for Form IT-209, *Claim for Noncustodial Parent New York State Earned Income Credit*, to see if you qualify for this credit. If you qualify, complete Form IT-209 to determine which credit offers the better tax savings. If you are claiming the NYS EIC, transfer the NYS EIC from Form IT-209 to Form IT-201, line 65, and submit Form IT-209 with your return (do not submit Form IT-215). If you are claiming the noncustodial EIC, see line 66 instructions below.

If the IRS is computing your federal earned income credit, write **EIC** in the box to the left of the money column, and leave the money column blank on line 65. You must complete Form IT-201, lines 67 through 75, but do not complete lines 76 through 80.

Complete Form IT-215, lines 1 through 9, and submit it with your return. The Tax Department will compute your New York State earned income credit and the resulting refund or amount due.

If you are due a refund, we will send you the refund along with an explanatory statement. If you owe tax, you will receive a bill that must be paid within 21 days, or by April 15, 2013, whichever is later.

Line 66 – Noncustodial parent New York State earned income credit (EIC)

Review the instructions for Form IT-209 to see if you qualify for this credit. If you qualify, complete Form IT-209. If you are claiming the noncustodial EIC, transfer the noncustodial EIC from Form IT-209 to Form IT-201, line 66. If you are claiming the NYS EIC, transfer the NYS EIC from Form IT-209 to Form IT-201, **line 65**. Submit Form IT-209 with your return (do not submit Form IT-215).

For more information, see the instructions for Form IT-209.

Line 67 – Real property tax credit

Review the instructions for Form IT-214, *Claim for Real Property Tax Credit for Homeowners and Renters*, to see if you qualify for this credit. If you qualify, complete Form IT-214 and transfer the amount from Form IT-214 to Form IT-201, line 67. Submit Form IT-214 with your return.

Line 68 – College tuition credit

Did you or your spouse or your dependent(s) pay college tuition expenses during 2012?

If **No**, you do not qualify for this credit. Go to line 69.

If **Yes**, and you **did not** claim the college tuition deduction on Form IT-201-D, line 15 (see page 40), complete Form IT-272, *Claim for College Tuition Credit or Itemized Deduction*, and transfer the amount from Form IT-272 to Form IT-201, line 68. Submit Form IT-272 with your return.

For more information, see the instructions for Form IT-272.

Line 69 – New York City school tax credit (NYC residents only)

If you are **not** a New York City resident or part-year resident, you do not qualify to claim this credit. Go to line 70.

If you are a New York City resident or part-year resident and marked the **Yes** box at item C on the front of Form IT-201 indicating that you can be claimed as a dependent on another taxpayer's federal return, **or** your income (see page 32) is more than \$250,000, you do not qualify for this credit. Go to line 70.

If you are a New York City resident or part-year resident and marked the **No** box at item C on the front of Form IT-201 indicating that you **cannot** be claimed as a dependent on another taxpayer's federal return and you are filing status ①, ③, ④, or ⑤ (and your income (see page 32) is \$250,000 or less), determine your credit using Table 1 on page 32 if you were a full-year resident or Table 2 on page 32 if you were a part-year city resident.

Special rules for married filing joint return (filing status ②)

- If both spouses are full-year city residents, determine your credit using Table 1, filing status ②.
- If both spouses are part-year city residents, determine your credit using Table 2, filing status ②. If you have different periods of city residence, determine your credit using the number of months for the spouse with the longer city resident period.

Example: *You and your spouse are filing a joint NYS return (filing status ②). You were a 5-month New York City resident, and your spouse was an 8-month New York City resident. Your income was less than \$250,000, and you marked filing status ②, married filing joint return. You are entitled to a credit of \$83 (using the 8-month period from Table 2).*

- If one spouse is a full-year city resident and one spouse is a full-year city nonresident, **and you are computing your NYC tax as married filing separately**, determine your credit for the full-year city resident spouse using Table 1, filing status ③. The full-year city nonresident spouse may not take a credit.
 - If one spouse is a full-year city resident and one spouse is a full-year city nonresident, and you **elect to compute your NYC tax as if both were full-year city residents**, determine your credit using Table 1, filing status ②.
 - If one spouse is a full-year city resident and one spouse is a part-year city resident, you must compute each credit separately and add them together. Determine the full-year city resident spouse's credit using Table 1, filing status ③, and determine the part-year city resident spouse's credit using Table 2, filing status ③.
- Example:** *You and your spouse are filing a joint New York State income tax return (filing status ②). You were a full-year New York City resident. Your spouse was a New York City resident for only 3 months during the year, and your income was less than \$250,000. Add your credit amount from Table 1, filing status ③ (\$63), and your spouse's credit amount from Table 2, filing status ③ (\$16), for a combined credit of \$79.*
- If one spouse was a part-year city resident and the other spouse was a full-year city nonresident, determine your credit for the part-year city resident spouse using Table 2, filing status ③. The full-year city nonresident spouse may not take a credit.

* The statutory credit amounts have been rounded (see page 4).

Income, for purposes of determining your New York City school tax credit, means your federal adjusted gross income (FAGI) from Form IT-201, line 19, minus distributions from an individual retirement account and an individual retirement annuity, from Form IT-201, line 9, if they were included in your FAGI.

Line 70 – New York City earned income credit (NYC residents only)

Did you claim the **federal** earned income credit for 2012 on your federal return?

If **No**, you do not qualify to claim this credit. Go to line 71.

If **Yes**, complete **either** Form IT-215, *Claim for Earned Income Credit*, or Form IT-209, *Claim for Noncustodial Parent New York State Earned Income Credit*. Transfer the amount from Form IT-215 or the amount from Form IT-209 to Form IT-201, line 70. Submit Form IT-215 or Form IT-209 with your return.

For more information, see the instructions for Form IT-215 or Form IT-209.

If the IRS is computing your federal earned income credit, write **EIC** in the box to the left of the money column, and leave the money column blank on line 70. You must complete Form IT-201, lines 71 through 75, but do not complete lines 76 through 80. The Tax Department will compute your New York City earned income credit and the resulting refund or amount due.

If you are due a refund, we will send you the refund along with an explanatory statement. If you owe tax, you will receive a bill that must be paid within 21 days, or by April 15, 2013, whichever is later.

Line 71 – Other refundable credits

Enter the total amount of other refundable credits from Form IT-201-ATT, Part 1, Section D, line 18. See the credit charts on pages 6 through 9 for a listing of credits that can be refunded.

Lines 72, 73, and 74 – Total New York State, New York City, and Yonkers tax withheld

You are **no longer required** to complete New York Form(s) IT-2, IT-1099-R, and IT-1099-UI. Instead, you must **include the state copy** of certain federal forms with your return. See *Note* below.

Enter your **total** New York State (line 72), New York City (line 73), and Yonkers (line 74) tax withheld (if any) as shown on the following federal Forms:

- W-2, *Wage and Tax Statement*,
- 1099-R, *Distributions From Pensions, Annuities, Retirement or Profit Sharing Plans, IRAs, Insurance Contracts, etc.*,
- 1099-G, *Certain Government Payments* (used to report New York State unemployment compensation), **and**
- W-2-G, *Certain Gambling Winnings* (used to report New York State lottery distributions).

Note: If you received any of the above forms, verify that your social security number is listed correctly. Include the state copy with your Form IT-201. You must include with your return **all** Forms W-2 you received (even if no New York tax was withheld), but only include Forms 1099 R, 1099-G, and W-2G that list NYS, NYC, or Yonkers withholding. You must also include any foreign wage statement you received for income earned while working abroad. (If there are any errors on these forms, contact the issuer, ask for corrected forms, and include them instead of the originals.)

Check your withholding for 2013

 If, after completing your 2012 tax return, you want to change the amount of NYS, NYC, or Yonkers tax withheld from your paycheck, complete Form IT-2104, *Employee's Withholding Allowance Certificate*, and give it to your employer.

Line 75 – Total estimated tax payments and amount paid with Form IT-370

Enter the total of:

- Your 2012 estimated income tax payments for New York State, New York City, and Yonkers (include your last installment even if paid in 2013). If you marked filing status ② but made **separate** 2012 estimated income tax payments (Form IT-2105), enter your combined total estimated income tax paid;
- Any amount of overpayment from your 2011 return that you applied to your 2012 estimated income tax (if this amount was adjusted by the Tax Department, use the adjusted amount); and
- Any amount you paid with Form IT-370, *Application for Automatic Six-Month Extension of Time to File for Individuals* (or Form IT-370-V, *Payment Voucher for Form IT-370 Filed Online*). If you marked filing status ② but you and your spouse filed separate Forms IT-370, enter the total amount you and your spouse paid.

Do not include any amounts you paid for the **New York City** unincorporated business tax. File New York City's Form NYC-202 or NYC-202S directly with the New York City Department of Finance.

You can check your balance and reconcile your estimated income tax account by going to our Web site or by writing us at:

NYS TAX DEPARTMENT
ESTIMATED TAX UNIT
W A HARRIMAN CAMPUS
ALBANY NY 12227

If you are a beneficiary of an estate or trust and are claiming your portion of any payment of estimated income taxes allocated to you by the estate or trust, include your amount on line 75 and submit a copy of the notification issued by the estate or trust with your return. This notification must include the name and identifying number of the estate or trust and the amount allocated to you.

Step 9 – Calculate your refund or the amount you owe

Line 77 – Amount overpaid

If you have to pay an estimated income tax penalty (see line 81 instructions), subtract the penalty from the overpayment and enter the net overpayment on line 77.

Your net overpayment can be:

- 1) refunded to you (enter amount on line 78);
- 2) applied to your 2013 estimated income tax (enter on line 79);
- or**
- 3) divided between options 1 and 2.

If your estimated income tax penalty on line 81 is greater than your overpayment on line 77, enter the difference on line 80 (amount you owe).

Line 78 – Your refund

You must file a return to get a refund.

Enter the amount of overpayment you want refunded to you. You have three ways to receive your refund. You can choose **direct deposit** to have the funds deposited directly into your bank account, or you can choose to have a **debit card** or a **paper check** mailed to you. Mark an **X** in one box to indicate your choice.

Direct deposit

Direct deposit is the **fastest and easiest** way to get your refund.

If you choose direct deposit, enter your account information on line 83 for a fast and secure direct deposit of your refund (see line 83 instructions). Generally, the Tax Department will **not** notify you that your refund has been deposited. However, if the amount we deposit is different from the amount of refund you claimed, we will send you a written explanation of the adjustment within two

weeks from the date your refund is deposited. If we cannot make the direct deposit for any reason (for example, you don't enter complete and correct account information at line 83), we will send your refund to the mailing address on your return.

 Direct deposit of your refund is not available if the refund would go to an account outside the U.S. (see *Note* on page 35).

Debit cards

Your debit card(s) will be sent to the mailing address entered on your return. Debit cards are secure, easy to use, and flexible.

- **Secure:** We've designed the cards so that only you can activate your card. The cards offer fraud and theft protection.
- **Easy to use:** Use the card like any other debit card. Most banks and retail locations that accept credit cards will accept your refund debit card. You can call toll free or go online to check your balance. Once activated, your card remains valid for 18 months.
- **Flexible:** The debit card allows you to use your refund in several different ways:
 - Take it as a cash withdrawal from a bank even if you don't have a bank account. You will need to show identification.
 - Use it to make purchases from stores that accept Debit MasterCard.
 - Deposit it into your bank account (if you plan to do this, you should consider choosing to get your refund by **direct deposit** instead).
 - Make ATM withdrawals.

Joint returns – If you filed a joint return, separate debit cards will be mailed together in one envelope to you and your spouse. One or both of you can activate your card(s) to access the refund. Once activated, either card can access the entire amount of the refund.

Fees – In most instances, there's no charge to you for using the debit card.

- **Cash withdrawal from a bank:** no fee if you want to take the entire amount of your refund in cash at one time (\$1 fee for each later withdrawal). You don't need to have a bank account, but you must present ID to the teller.
- **Retail sales:** never a fee
- **ATMs:** If you use the issuing bank's ATM network, there's no fee. Fees probably apply if you use another ATM network.

For more information about the debit card, visit this Web site: www.bankofamerica.com/nyrefund

Paper checks

The Tax Department will mail your refund check to the mailing address entered on your return. Paper checks for joint filers will be issued with both names and must be signed by both spouses. Paper checks take weeks to be processed, printed, and mailed.

If you don't have a bank account, you will likely be charged a fee to cash your check. You may want to consider a debit card refund instead; there are several ways to get or spend your money without fees (be sure to carefully read the fee schedule before using the card).

Collection of debts from your refund

We will keep all or part of your overpayment (refund) if you owe a New York State tax liability or a New York City or Yonkers personal income tax liability, if you owe past-due support or a past-due legally enforceable debt to the IRS, to a New York State agency, or to another state, if you defaulted on a governmental

education, state university, or city university loan, or if you owe a New York City tax warrant judgment debt. We will refund any amount that exceeds your debt.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district.

If you have questions about whether you owe a past-due legally enforceable debt to the IRS, to another state, or to a New York State agency, contact the IRS, the other state, or the New York State agency.

For New York State tax liabilities or New York City or Yonkers personal income tax liabilities, call (518) 457-5434 or write to: NYS Tax Department, Collections and Civil Enforcement Division, W A Harriman Campus, Albany NY 12227.

Disclaiming of spouse's debt

If you marked filing status ② and you do not want to apply your part of the overpayment to your spouse's debt because you are not liable for it, complete Form IT-280, *Nonobligated Spouse Allocation*, and submit it with your original return. We need the information on Form IT-280 to process your refund as quickly as possible. You cannot file an amended return to disclaim your spouse's debt after you have filed your original return.

We will notify you if we keep your overpayment because of a past-due legally enforceable debt to the IRS or a tax debt to another state. You cannot use Form IT-280 to disclaim liability for a legally enforceable debt to the IRS or to disclaim a tax liability owed to another state. You must contact the IRS or the other state to resolve your responsibility for the asserted liability.

Line 79 – Estimated tax

Enter the amount of overpayment from line 77 that you want applied to your New York State, New York City, and Yonkers estimated income tax for 2013. The total of lines 78 and 79 should equal the amount on line 77.

Line 80 – Amount you owe

Enter on line 80 the amount of tax you owe **plus any estimated income tax penalty** you owe (see line 81 instructions) and **any other penalties and interest** you owe (see line 82 instructions).

If you choose to pay by electronic funds withdrawal, mark an **X** in the box, enter your account information on line 83, and enter your electronic funds withdrawal information on line 84.

 To avoid other penalties and interest, pay any tax you owe by April 15, 2013.

For additional information on penalties and interest, visit our Web site.

Line 81 – Estimated tax penalty

Begin with these steps to determine if you may owe an estimated income tax penalty.

- 1) Locate the amount of your 2011 New York AGI as shown on your 2011 return;
- 2) Locate the amount of your 2011 New York income tax; then
- 3) Calculate the amount of your 2012 prepayments (the amount of withholding and estimated tax payments you have already made for 2012).

In general, you are not subject to a penalty if your 2012 prepayments equal at least 100% of your 2011 income tax.

However:

- If your 2011 New York AGI was more than \$150,000 (or \$75,000 if you are married filing separately) and you are not a farmer or a fisherman, your prepayments must equal at least 110% of your 2011 income tax based on a 12 month return;
- You may owe a penalty if line 80 is \$300 or more and represents more than 10% of the income tax shown on your 2012 return; and
- You may owe a penalty if you underpaid your estimated income tax liability for any payment period.

For more information, see Form IT-2105.9, *Underpayment of Estimated Income Tax by Individuals and Fiduciaries*.

If you owe an estimated income tax penalty, enter the penalty amount on line 81. Also add the same amount to any tax due and enter the total on line 80. It is possible for you to owe an estimated income tax penalty **and also** be due a refund. In that case, subtract the estimated income tax penalty amount from the overpayment and enter the net result on line 77. **Do not include any other penalty or interest amounts on line 77.** Be sure to submit Form IT-2105.9 with your return.

Line 82 – Other penalties and interest

If you owe a late filing penalty, late payment penalty, or interest, enter the penalty and interest amount on line 82. Also add the same amount to any tax due and enter the total on line 80. You may compute the penalty and interest using the *Penalty and Interest Calculator* on our Web site.

Payment options

By automatic bank withdrawal

You may authorize the Tax Department to make an electronic funds withdrawal from your bank account.

This payment option is not available if the funds for your payment would come from an account outside the U.S. (see *Note* below).

File now/Pay later! You must specify a future payment date up to and including April 15, 2013. If you file before April 15, money will not be withdrawn from your account before the date you specify. To avoid interest and penalties, you must authorize a withdrawal on or before the filing deadline. If you designate a weekend or a bank holiday, the payment will be withdrawn the next business day. See line 83 instructions.

By check or money order

If you owe more than one dollar, include full payment with your return. Make check or money order payable to **New York State Income Tax** and write your social security number and **2012 Income Tax** on it. **Do not send cash.**

Fee for payments returned by banks

The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department won't charge the fee.

If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

By credit card

You can use your American Express Cards®, Discover®/Novus®, MasterCard®, or Visa® to pay the amount you owe on your New York State income tax return. You can pay your income taxes due with your return by credit card through the Internet. The credit card service provider **will charge** you a convenience fee to cover the cost of this service, and you will be told the amount before you confirm the credit card payment. **Please note** that the convenience fee, terms, and conditions may vary between the credit card service providers.

You can make your payment by credit card regardless of how you file your income tax return. For returns filed before the due date, you can make credit card payments any time up to the due date. For returns filed on or after the due date, you should make your credit card payment at the same time you file your return. Credit cards cannot be used to pay any tax due on an amended return.

For additional information on the credit card payment program and the credit card service providers available for your use, go to our Web site.

Follow the simple instructions to enter personal identifying information, the credit card number and expiration date, and the amount of the payment (**line 80 of Form IT-201**). Have a copy of your completed New York State income tax return available. You will be told the amount of the convenience fee that the credit card service provider will charge you to cover the cost of this service. At this point you may elect to accept or cancel the credit card transaction.

If you accept the credit card transaction you will be given a confirmation number. **Keep this confirmation number as proof of payment.**

Unable to pay?

To avoid interest and penalty charges, you must file and pay the amount due by April 15, 2013.

If you cannot pay in full, you should file your return on time, and pay as much of the tax due as possible by automatic bank withdrawal, check, or money order. Also consider alternative payment methods such as a commercial or private loan or a credit card transaction to pay any remaining balance.

You will be billed for any unpaid tax plus interest (see *Amount you owe*). Pay the bill immediately if you can; if you cannot, call the number provided on the bill to make other arrangements. If you fail to pay the amount due, New York State may file a tax warrant, seize your assets, and/or garnishee your wages to ensure payment.

Line 83 – Account information

If you marked the box that indicates your payment (or refund) would come from (or go to) an account outside the U.S., **stop**. Do not complete lines 83a, 83b, or 83c (see *Note* below). **All others**, supply the information requested for lines 83a, 83b, and 83c.

Note: Banking rules prohibit us from honoring requests for electronic funds withdrawal or direct deposit when the funds for your payment (or refund) would come from (or go to) an account outside the U.S. Therefore, if you marked this box, you must pay any amount you owe by check, money order, or credit card (see above); or if you are requesting a refund, we will send your refund to the mailing address on your return.

The following requirements apply to both direct deposit and electronic funds withdrawal:

On line 83a, mark an **X** in the box for the type of account:

- If you mark personal or business checking, enter the account number shown on your checks. (On the sample check below, the account number is 1357902468. **Do not** include the check number.)
- If you mark personal or business savings, you can get your savings account number from a preprinted savings account deposit slip, your passbook or other bank records, or from your bank.

Enter your bank's 9-digit routing number on line 83b. If the first two digits are not 01 through 12, or 21 through 32, the transaction will be rejected. On the sample check below, the routing number is 090090099.

JOHN SMITH
MARY SMITH
999 Maple Street
Someplace, NY 10000

Pay to the Order of \$ 1234.00

Routing Number (line 83b): 090090099
Account Number (line 83c): 1357902468
Check Number: 1234

Do not include the check number

Note: The routing and account numbers may appear in different places on your check.

If your check states that it is payable through a bank different from the one where you have your checking account, **do not** use the routing number on that check. Instead, contact your bank for the correct routing number to enter on line 83b.

Enter your account number on line 83c. The number can be up to 17 characters (both numbers and letters). Include hyphens (-) but omit spaces and special symbols. Enter the number from left to right.

Contact your bank if you need to verify routing and account numbers or confirm that it will accept your direct deposit or process your electronic funds withdrawal.

If you encounter any problem with direct deposit to, or electronic withdrawal from, your account, call (518) 457-5181. Please allow six to eight weeks for processing your return.

Line 84 – Electronic funds withdrawal

Enter the date you want the Tax Department to make an electronic funds withdrawal from your bank account and the amount from line 80 you want electronically withdrawn. Enter a date that is on or before the due date of your return. If we receive your return after the due date, we will withdraw the funds on the day we accept your return.

Your confirmation will be your bank statement that includes a *NYS Tax Payment* line item.

We will only withdraw the amount that you authorize. If we determine that the amount you owe is different from the amount claimed on your return, we will issue you a refund for any amount overpaid or send you a bill for any additional amount owed, **which may include penalty and interest.**

You may revoke your electronic funds withdrawal authorization only by contacting the Tax Department at least 5 business days before the payment date.

! If you complete the entries for electronic funds withdrawal, **do not** send a check or money order for the same amount due unless you receive a notice.

Step 10 – Sign and date your return**Third-party designee**

Do you want to authorize a friend, family member, or any other person (third-party designee) to discuss your tax return with the New York State Tax Department?

If **No**, mark an **X** in the **No** box.

If **Yes**, mark an **X** in the **Yes** box. Print the designee's name, phone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss with the Tax Department, print the preparer's name and phone number in the spaces for the designee's name and phone number (you do not have to provide a PIN).

If you mark the **Yes** box, you (and your spouse, if filing a joint return) are authorizing the Tax Department to discuss with the designee any questions that arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); **and**
- respond to certain Tax Department notices that you share with the designee about math errors, offsets, and return preparation. We will not send notices to the designee.

You are not authorizing the designee to receive your refund, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file a power of attorney. Copies of statutory tax notices or documents (such as a *Notice of Deficiency*) will only be sent to your designee if you file a power of attorney.

The authorization will end automatically one year after the later of the return due date (including any extension) or the date you filed your return.

Paid preparer's signature

If you pay someone to prepare your return, the paid preparer must also sign it and fill in the other blanks in the paid preparer's area of your return. A person who prepares your return and does not charge you should not fill in the paid preparer's area.

Paid preparer's responsibilities – Under the law, all paid preparers must sign and complete the paid preparer section of the return. Paid preparers may be subject to civil and/or criminal sanctions if they fail to complete this section in full.

When completing this section, you must enter your New York tax preparer registration identification number (NYTPRIN) if you are required to have one. You must enter your federal preparer tax identification number (PTIN) and your firm's EIN, if applicable.

Your signature(s)

In the spaces provided at the bottom of page 4, sign and date your **original** return and enter your occupation. If you are married and filing a joint return, also enter your spouse's occupation. Both spouses must sign a joint return; **we cannot process unsigned returns**. Keep your signature(s) within the space(s) provided.

If the return is for someone who died and there is no surviving spouse to sign it, print or type the name and address of the person signing it below the signature. For additional information about deceased taxpayers, see page 42.

Daytime phone number

This entry will enable the Tax Department to correct minor errors or omissions by calling you rather than writing or sending back your return.

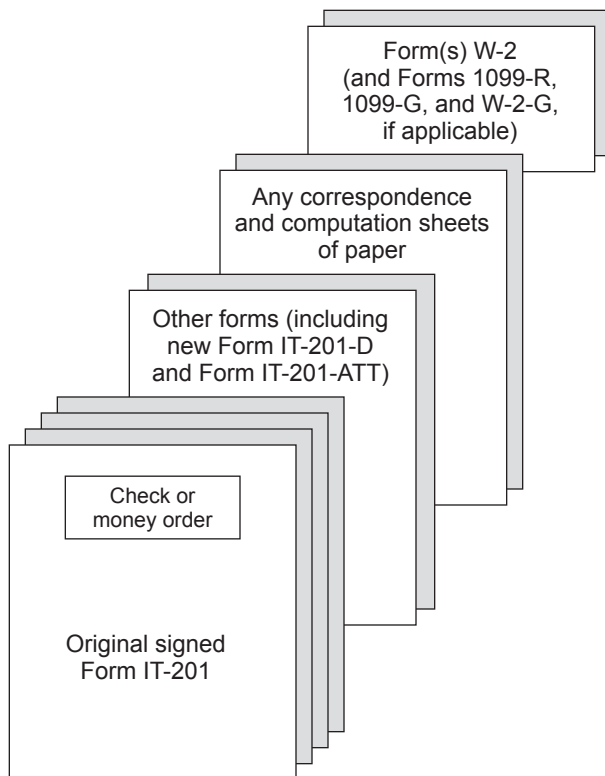

Step 11 – Finish your return

Take a moment to go over your return to avoid errors that may delay your refund. Finish your return as shown below. **Do not staple any items to the return.**

1) Make a copy of your return, and any other forms or papers you are submitting, for your records. You may be asked by the Tax Department to provide copies of these records after you have filed your income tax return.

2) Enclose the following in an envelope (see illustration):

- your check or money order if you owe tax
- your original, signed return
- other forms, including new Form IT-201-D, and Form IT-201-ATT
- any correspondence and computation sheets of paper
- your wage and tax statements: federal Form(s) W-2 (and Forms 1099-R, 1099-G, and W-2G, if applicable)

3) Include the following on your envelope:

- your return address
- enough postage (some returns require additional postage)
- the appropriate mailing address (see below)

4) Mail your return by April 15, 2013.

- If **enclosing** a payment (check or money order), mail to:

**STATE PROCESSING CENTER
PO BOX 15555
ALBANY NY 12212-5555**

- If **not enclosing** a payment, mail to:

**STATE PROCESSING CENTER
PO BOX 61000
ALBANY NY 12261-0001**

Private delivery services

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to mail in your form and tax payment. However, if, at a later date, you need to establish the date you filed or paid your tax, you cannot use the date recorded by a private delivery service unless you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* on the back cover of these instructions for information on obtaining forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your form, contact that private delivery service for instructions on how to obtain written proof of the date your form was given to the delivery service for delivery. If you use any private delivery service, whether it is a designated service or not, send the forms covered by these instructions to: State Processing Center, 30 Wall Street, Binghamton NY 13901-2718.

Important reminder to file a complete return

You must complete all required schedules and forms that make up your return, and include all pages of those forms and schedules when you file. Submit **only** those forms and schedules that apply to your return, and be sure that you have made all required entries. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

Instructions for Form IT-201-D, Resident Itemized Deduction Schedule

General information

The starting point in computing your New York itemized deduction amount is your federal itemized deductions from federal *Schedule A*. However, differences between federal and New York State tax laws make it necessary to make certain adjustments to your federal itemized deductions in computing your New York itemized deduction.

The subtraction adjustments on line 9 reflect the fact that New York does not allow certain federal itemized deductions such as the federal deduction for state and local income taxes (or general sales tax, if applicable). Because of limits on certain federal deductions, it may be necessary for you to complete one or more worksheets to determine the amount of the New York subtraction adjustment.

The addition adjustments on line 11 reflect the fact that New York allows certain deductions that are not allowed for federal purposes such as expenses related to income that is exempt from federal tax but subject to New York tax.

Also, further adjustments may be required if you are subject to the New York itemized deduction adjustment for higher income taxpayers (line 13), or if you elect to claim the New York itemized deduction for college tuition expenses (line 15).

Before you begin, locate your federal *Schedule A*.

Additional information

Definitions used to determine resident, nonresident, or part-year resident

You may have to pay income tax as a New York State resident even if you are not considered a resident for other purposes. For income tax purposes, your resident status depends on where you were domiciled and where you maintained a permanent place of abode during the taxable year.

Domicile

In general, your *domicile* is the place you intend to have as your permanent home. Your domicile is, in effect, where your permanent home is located. It is the place you intend to return to after being away (as on vacation abroad, business assignment, educational leave, or military assignment).

You can have only one domicile. Your New York domicile does not change until you can demonstrate that you have abandoned your New York domicile and established a new permanent domicile outside New York State.

A change of domicile must be *clear and convincing*. Easily controlled factors such as where you vote, where your driver's license and registration are issued, or where your will is located are **not** primary factors in establishing domicile. To determine whether you have, in fact, changed your domicile, you should compare (1) the size, value, and nature of use of your first residence to the size, value, and nature of use of your newly acquired residence; (2) your employment and/or business connections in both locations; (3) the amount of time spent in both locations; (4) the physical location of items that have significant sentimental value to you in both locations; and (5) your close family ties in both locations. A change of domicile is *clear and convincing* only when your primary ties are clearly **greater** in the new location. When weighing your primary ties, keep in mind that some may weigh more heavily than others, depending upon your overall lifestyle. If required by the Tax Department, it is the taxpayer's responsibility to produce documentation showing the necessary intention to effect a change of domicile.

If you move to a new location but intend to stay there only for a limited amount of time (no matter how long), your domicile does not change. For example, Mr. Green of ABC Electronics in Newburgh, New York, was temporarily assigned to the Atlanta, Georgia branch office for two years. After his stay in Atlanta, he returned to his job in New York. His domicile did not change during his stay in Georgia; it remained New York State.

If your domicile is in New York State and you go to a foreign country because of a business assignment by your employer, or for study, research or any other purpose, your domicile does not change unless you show that you definitely do not intend to return to New York.

Permanent place of abode

In general, a permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether you own it or not, that is suitable for year-round use. A permanent place of abode usually includes a residence your spouse owns or leases. For additional information, visit our Web site.

However, a residence maintained by a full-time student enrolled at an institution of higher education in an undergraduate degree program leading to a baccalaureate degree and occupied by the student while attending the institution is not a permanent place of abode with respect to that student. For additional information, see TSB-M-09(15)I, *Amendment to the Definition of Permanent Place of Abode in the Personal Income Tax Regulations Relating to Certain Undergraduate Students*.

Note: Special rules apply to military personnel and their spouses; see Publication 361, *New York State Income Tax Information For Military Personnel and Veterans*.

Resident

You are a New York State resident for income tax purposes if:

- Your domicile is not New York State but you maintain a permanent place of abode in New York State for more than 11 months of the year and spend **184 days or more** (a part of a day is a day for this purpose) in New York State during the taxable year.

Note: If you maintain a permanent place of abode in New York State but are claiming to be a nonresident for tax purposes, you must be able to provide adequate records to substantiate that you did not spend more than 183 days of the tax year in New York State.

However, if you are a member of the armed forces, and your domicile is not New York State, you are not a resident under this definition. Also, if you are a military spouse domiciled in another state, but located in New York State solely to be with your spouse (who is a member of the armed services present in New York State in compliance with military orders), you are not considered a resident under this definition. For more information, see TSB-M-10(1)I, *Military Spouses Residency Relief Act*; or

- Your domicile is New York State. However, even if your domicile is New York, you are not a resident if you meet **all three** of the conditions in either Group A or Group B as follows:

Group A

- 1) You did not maintain any permanent place of abode in New York State during the taxable year; and
- 2) You maintained a permanent place of abode outside New York State during the entire taxable year; and
- 3) You spent **30 days or less** (a part of a day is a day for this purpose) in New York State during the taxable year.

Group B

- 1) You were in a foreign country for at least 450 days (a part of a day is a day for this purpose) during any period of 548 consecutive days; and
- 2) You, your spouse (unless legally separated) and minor children spent **90 days or less** (a part of a day is a day for this purpose) in New York State during this 548-day period; and
- 3) During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in New York State for no more

Additional information (continued)

than the number of days which bears the same ratio to 90 as the number of days in such portion of the taxable year bears to 548. The following formula illustrates this condition:

$$\frac{\text{Number of days in the nonresident portion}}{548} \times 90 = \text{Maximum number of days allowed in New York State}$$

Nonresident

You are a New York State nonresident if you were not a resident of New York State for any part of the year.

Part-year resident

You are a New York State part-year resident if you meet the definition of resident or nonresident for only part of the year.

New York City and Yonkers

For the definition of a **New York City** or **Yonkers** resident, nonresident, and part-year resident, see the definitions of a New York State resident, nonresident, and part-year resident beginning on page 41, and substitute *New York City* or *Yonkers* in place of *New York State*.

For more information on nonresidents and part-year residents, see the instructions for Form IT-203.

Special accruals

As a full-year New York State resident for 2012, or if you are a full-year New York City resident or New York City part-year resident for 2012, you may have to use special accrual rules (see below) to compute your New York State and New York City personal income tax for 2012.

Full-year New York State residents

You are subject to the special accrual rules **only** if you have accrued income for 2012 (see below), **and**

- you were a nonresident of New York State on December 31, 2011; or
- you will be a New York State nonresident on January 1, 2013.

You have accrued income for 2012 if:

- you have an item of non-New York source income* that was fixed and determinable in a tax year prior to 2012, but you are reporting that income for federal income tax purposes in tax year 2012; or
- you have an item of income that was fixed and determinable in tax year 2012, but you will be reporting that income for federal income tax purposes in a tax year after 2012.

Full-year and part-year New York City residents

You are subject to the special accrual rules **only** if you have accrued income for 2012 (see below), **and**

- you were a nonresident of New York City on December 31, 2011, but you were a full-year New York City resident for tax year 2012; or
- you were a full-year New York City resident for 2012 but you will be a New York City nonresident on January 1, 2013; or
- you were a New York City part-year resident for tax year 2012.

You have accrued income for 2012 if:

- you have an item of non-New York source income* that was fixed and determinable in a tax year prior to 2012, but you are reporting that income for federal income tax purposes in tax year 2012; or
- you have an item of income that was fixed and determinable in tax year 2012, but you will be reporting that income for federal income tax purposes in a tax year after 2012; or
- you have an item of income that was fixed and determinable in your 2012 New York City resident period, but that income is not reportable for federal income tax purposes in your 2012 New York City resident period; or
- you have an item of non-New York source income* that was fixed and determinable in your 2012 New York City nonresident period, but that income is not reportable for federal income tax purposes in your 2012 New York City nonresident period.

Estates and trusts

Estates and trusts are subject to the New York State personal income tax. The fiduciary for an estate or trust must file Form IT-205, *Fiduciary Income Tax Return*. Each beneficiary of an estate or trust must include his or her share of the estate or trust income on Form IT-201. For more information on responsibilities of beneficiaries, see *Beneficiaries (estates and trusts)* on page 14.

Deceased taxpayers

If a taxpayer died after 2011 and before filing a return for 2012, the taxpayer's spouse or personal representative may have to file and **sign** a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If a taxpayer did not have to file a federal return but had New York State tax withheld, a New York return must be filed to get a refund. If a joint federal income tax return was filed for the deceased taxpayer and the surviving spouse, a joint New York State return can be filed. Write **Filing as surviving spouse** in the area where you sign the return. If someone else is the personal representative for the deceased spouse, he or she must also sign the return. The person who files the return for the deceased taxpayer should write the deceased taxpayer's date of death in the area indicated near the top of the return.

Partnerships/limited liability partnerships or companies

Partnerships, limited liability partnerships (LLPs) and limited liability companies (LLCs), limited liability investment companies (LLICs) and limited liability trust companies (LLTCs) that are treated as partnerships for federal purposes are not subject to the New York State personal income tax, but individual partners (members) of the partnerships are.

If your partnership has a partner who is a New York State resident, or if the partnership has any income from New York State sources, it must file Form IT-204, *Partnership Return*. If your partnership carried on a business in New York City, it may also have to file New York City's Form NYC-204, *Unincorporated Business Tax Return for Partnerships (including Limited Liability*

* Non-New York source income is income that is **not** attributable to (1) a business, trade, profession, or occupation carried on in **New York State**, or (2) the ownership of any interest in real or tangible personal property in **New York State**.

Additional information (continued)

Companies). Since New York State does not administer the New York City unincorporated business tax, do not file your Form NYC-204 with your state return.

Innocent spouse relief

There are three forms of innocent spouse relief: innocent spouse, separation of liability, and equitable relief. You may qualify for relief from full or partial tax liability on a joint return as an *innocent spouse* if: (1) there is an understatement of tax on a joint return because of an omission or error involving income, deduction, credit, or basis; (2) you can show that when you signed the return you did not know and had no reason to know of the understatement; and (3) taking into account all the facts and circumstances, it would be unfair to hold you liable for the understated tax. You may also request a *separation of liability* for any understated tax on a joint return if you and your spouse or former spouse are no longer married, or are legally separated, or have lived apart at all times during the 12-month period prior to the date of filing for relief. If you do not qualify as an innocent spouse or for separation of liability, you may qualify for *equitable relief* if you can show that, taking into account all the facts and circumstances, you should not be held liable for any understatement or underpayment of tax. For more information, see Form IT-285, *Request for Innocent Spouse Relief (and Separation of Liability and Equitable Relief)*. You may use Form IT-285 only for innocent spouse relief under the three circumstances stated above. Do **not** file Form IT-285 with your return.

If you want to disclaim your spouse's defaulted governmental education, state university, or city university loan or past-due support or past-due legally enforceable debt owed to a New York State agency or a New York City tax warrant judgment debt because you do not want to apply your part of a joint refund or refundable credit to a debt owed solely by your spouse, use Form IT-280, *Nonobligated Spouse Allocation*. You must complete Form IT-280 and submit it with your original return when filed. (Also see *Disclaiming of spouse's debt* on page 34.)

Members of the armed forces

If you are a member of the military and a New York State resident, the amount of your military pay that is subject to federal income tax is also subject to New York income tax. However, see subtraction S-18 for information on New York's tax treatment of certain combat pay.

For more information, see Publication 361, *New York State Income Tax Information for Military Personnel and Veterans*.

Keep a copy of your tax records

Please remember to keep a copy of your completed income tax return. Also keep copies of any books, records, schedules, statements, or other related documents.

The Tax Department may ask you to provide copies of these records after you have filed your income tax returns.

You should retain copies of your return for at least seven years after you file your return.

Amending your return

File Form IT-201-X to amend a previously filed New York State income tax return. Use Form IT-203-X if you mistakenly filed Form IT-201, but you were a nonresident or part-year resident. See *Other forms you may have to file* on page 10.

Paid preparer information

For information relating to the Tax Preparer Registration Program, the signing of returns by a paid preparer (anyone you pay to prepare your return), e-file mandate for paid preparers, and other requirements relating to paid preparers, see Publication 58, *Information for Income Tax Return Preparers*.

If you did not file a return, you must file the claim for a credit or refund within two years from the time you paid the tax.

2012 New York State Tax Table

If your New York adjusted gross income, Form IT-201, line 33 is more than \$100,000, you cannot use these tables. See *Tax computation - New York AGI of more than \$100,000* beginning on page 57 to compute your tax. Failure to follow these instructions may result in your having to pay interest and penalty if the income tax you report on your return is less than the correct amount.

In this tax table, the *taxable income* column is the amount from Form IT-201, line 38.

Example: Mr. and Mrs. Jones are filing a joint return on Form IT-201. Their taxable income on line 38 is \$38,275. First, they find the 38,250 - 38,300 income line. Next, they find the column for **Married filing jointly** and read down the column. The amount shown where the income line and filing status column meet is \$1,844. This is the tax amount they must write on line 39 of Form IT-201.

April 15, 2013 Date by which you must file your 2012 New York State income tax return and pay any amounts you owe without interest or penalty. If you cannot file by this date, you can get an automatic 6-month extension of time to file (to October 15, 2013) by filing IT-370, *Application for Automatic Six-Month Extension of Time to File for Individuals* (see *Need help?* below).

June 17, 2013 Date by which you must file your 2012 New York State income tax return if you qualify to file your federal income tax return on June 17, 2013, because:

- 2) you are in the military service outside the U.S. and Puerto Rico when your 2012 return is due. The time to pay your New York State, New York City and Yonkers income tax, and any New York State or local sales or use tax is similarly automatically extended.
