

Purpose

If a partnership is applying for an extension of time to file the 2010 Form 58, it may prepay the tax that is expected to be due on it to avoid paying extension interest. Using this voucher will assure proper processing of the payment. The payment must be made no later than the 15th day of the 4th month following the end of the tax year.

Important: Do not use this extension payment voucher if:

- The 2010 Form 58 is filed on or before the due date (without extension).
- The tax balance due is going to be paid after the due date (without extension) of the 2010 Form 58.

Any tax due with the return is subject to extension interest.
