Instructions for Form 511X

This form is for residents only. Part-year and nonresidents must use Form 511NR to amend.

WHEN TO FILE AN AMENDED RETURN

Generally, to claim a refund your amended return must be filed within three years from the date tax, penalty and interest was paid. For most taxpayers, the three year period begins on the original due date of the Oklahoma tax return. Estimated tax and withholding are deemed paid on the original due date (excluding extensions).

If your Federal return for any year is changed, an amended Oklahoma return shall be filed within one year. If you amend your Federal return, it is recommended you obtain confirmation the IRS approved your Federal amendment before filing Oklahoma Form 511X. Filing Form 511X without such IRS confirmation may delay the processing of your return; however, this may be necessary to avoid the expiration of the statute of limitation.

File a separate Form 511X for each year you are amending. No amended return may encompass more than one single year.

If you discover you have made an error only on your Oklahoma return we may be able to help you correct the form instead of filing Form 511X. For additional information, call our Taxpayer Assistance Division at (405) 521-3160. Within Oklahoma, call toll-free (800) 522-8165. Operating hours are from (CST) 7:30 a.m. until 4:30 p.m.

When completing this form, it is recommended you have the Resident Individual Income Tax Instructions booklet (511 Packet) for the tax year you are amending. The packet will provide detailed explanation. If you do not have a copy, one may be downloaded from our website at www.tax.ok.gov.
