DIRECT SALES AND MULTI-LEVEL MARKETING COMPANIES

The state of Texas requires direct sales organizations to collect and remit state and local sales and use taxes on sales made by distributors in Texas. Since the Direct Sales Company is regarded as the retailer, permits are not issued to distributors and direct sales organizations are required to collect sales tax from the independent distributors rather than accept resale certificates.

PLACE OF BUSINESS INFORMATION

PLACE OF BUSINESS OR BUSINESS LOCATION: Any store, office or location where you receive orders for tangible personal property or taxable services or make sales, leases or rentals of tangible personal property or taxable services at least three times or more in a calendar year. (See 34 Tex. Admin. Code, Rule 3.286: Seller's and Purchaser's Responsibilities.)

- Item 24.** Provide the registered doing business as (DBA) name, or the name under which you are otherwise conducting business, and if applicable, the name of the shopping center or building in which the business is located, and the physical address of your business location. Enter the actual location of your business, number and street address. Example: "323 Jones Road." Do not use a P.O. Box or Rural Route number. (If your home is a location where you receive orders, that would be considered a place of business.) You may add meaningful directions (e.g., 2 miles south of FM 1960 on Jones Rd).
- Item 25.** If the place of business is physically located within the boundaries of a city, provide the name of that city. It may be different from the postal city name provided in Item 26. (Example: A business that is within the city limits of Houston may be located in a ZIP code area that uses Friendswood as the postal city name.) You may need to contact the city planning office, or the tax appraisal district, to determine the city where your business is actually located. If the place of business is not located within city limits, check the indicated box.
- Item 26.** Provide the name of the county where this business is physically located. (Example: A business that is outside the city limits of Beaumont may be located in Orange County, not Jefferson County. A business that is located inside the city limits of San Marcos may be in either Hays County or Caldwell County.)

Item 32. Mark the “yes” box if you will be mailing or shipping taxable items to customers or if you will be traveling to customers' locations to provide taxable services. (Example: A company providing landscaping services should check “YES.”)

Item 34. Provide the North American Industry Classification System (NAICS) code for your business or check the box that indicates the general type of industry in which the applicant is engaged. The Comptroller's office uses the NAICS, a product of the U.S. Census Bureau, to assign a code that indicates the general type of business operated in Texas.

It is easy to determine the NAICS code associated with your business. The Web address is www.census.gov/epcd/naics07/index.html. Enter one word in the keyword search field that generally describes your business. For example, if you're in the restaurant business, enter “restaurant.” The search will return several options. To the right of each listing is the associated six-digit NAICS code. Please select the code that best fits your business.

Explain the type of business operated and/or primary type of products sold. For example: “Bookkeeping for small businesses,” “Interior Decorator for homes.”

Item 35. List all locations or events in Texas where you will be selling or soliciting business on a temporary or recurring basis; include the dates (if known) when you will be at that location, even if you are selling from a van or cargo truck in a parking lot. (Example: parking lot on the corner of Hollywood and Vine; first weekend of each month).

Item 36. You will be required to report interest earned on sales tax if all the following are true:

- you include installment payments that were received during a reporting period in “TOTAL SALES” on your sales tax return for that period (i.e., you keep your records on a **cash basis of accounting**); **AND**
- you make retail sales of taxable items on an installment purchase plan or deferred payment plan; **AND**
- you charge interest on the entire balance, including sales tax, on the sale of taxable items made on installment purchases or deferred payment plans; **AND**
- you do your own financing on some accounts on which interest is charged.

Item 37. List all locations (storage unit, warehouse, home office, etc.) that are operated by the company in Texas that do not accept three or more orders per year.

Item 38. If you are a telecommunications utility, a mobile service provider or a business service user that provides local exchange access, equivalent local exchange access, wireless telecommunications connections or intrastate long-distance service, you are responsible for collecting emergency communications charges and/or surcharges.

Item 39. A prepaid wireless 9-1-1 emergency service fee of 2 percent is assessed on the purchase price of each prepaid wireless telecommunications service that is paid for in advance by any method and that allows a caller to access 9-1-1 emergency communications service. The fee is collected by the seller from the consumer at the time of each retail transaction of prepaid wireless telecommunications service.

Items 40-42. In addition to a sales tax permit, you must be permitted by the Texas Department of Insurance to sell fireworks in Texas. Sellers of fireworks must collect sales and use tax and an additional 2 percent fireworks tax. Contact the Texas Department of Insurance (www.tdi.state.tx.us) for additional information about fireworks permits. Additional information about fireworks tax is available online at www.window.state.tx.us/taxinfo/fireworks.

Consignment sales are sales where the consignee pays the distributor only for items that the consignee sells and returns any unsold items to the distributor. The Comptroller regards all distributors who make consignment sales of fireworks to consignees to be the retailers of those fireworks for both sales tax and fireworks tax purposes. Distributors who make consignment sales of fireworks must collect and remit sales tax and fireworks tax on all Texas sales made by their consignees.

These definitions are found in the Occupations Code, Ch. 2154, Regulation of Fireworks and Fireworks Displays.

Manufacturer: A person, firm, corporation or association who makes fireworks.

Distributor: A person who imports fireworks into this state or sells fireworks to a jobber, retailer or other distributor for resale; or a holder of a single public display permit, a multiple display permit or another fireworks permit.

Jobber: A person who purchases fireworks for resale only to retailers.

Retailer: A person who purchases fireworks for resale only to the general public.

Item 43. The sale, lease or rental of off-road heavy-duty (50 horsepower or greater) diesel equipment is subject to sales and use tax and an additional 2 percent surcharge. Information about the off-road, heavy-duty diesel equipment surcharge is available online at www.window.state.tx.us/taxinfo/mtr_veh/mv_offroad.html or contact one of our representatives at (800) 252-5555 or at a local field office.

Item 44. If you sell alcoholic beverages in Texas you must be permitted by the Texas Alcoholic Beverage Commission (TABC) in addition to being permitted for the collection of sales and use tax. Contact TABC at www.tabc.state.tx.us or by phone at (512) 206-3360.

Item 46. Health Spas are defined as any business that offers for sale, or sells, memberships that provide the members instruction in or the use of facilities for a physical exercise program. Health spa operators must register with SOS and include a copy of their certificate of registration when applying for a sales tax permit. (See *Occupations Code* §§ 702.003, 702.101 and 702.107 for more details.) Examples may include a gym, circuit training and any other fitness facility that sells memberships.

Item 47. If you do **NOT** have a place of business in Texas, list the names and addresses of all representatives, agents, contractors or others representing your business in Texas. Do not complete this section if you have a place of business in this state.

Item 49. Sign and date the application. The completed application can be delivered in person to any of our local offices or mailed to our main office at

Comptroller of Public Accounts
111 E. 17th St.
Austin, TX 78774-0100

You will generally receive your permit approximately four weeks after we have received your completed and signed application. Incomplete applications may delay the process.
