MACHINERY, EQUIPMENT, FURNITURE AND LEASEHOLD IMPROVEMENTS

Enter all property owned with the acquisition cost by year installed. Begin with the current year and each previous year, as required. Acquisition cost, including the cost of machinery, equipment, furniture and fixtures intended for rent or lease, is defined as 100% of the cost new as shown by books and records and is to include freight, installation charges, trade-ins, federal tax allowances and credit. If equipment was purchased in one year and installed in the following year, the full cost is reportable in the year installed. PROPERTY OWNED AND STILL IN USE BUT WHICH HAS BEEN FULLY DEPRECIATED OR WRITTEN OFF BUT STILL IN POSSESSION BY THE TAXPAYER MUST BE REPORTED. *Machinery and equipment which has been fully depreciated and is no longer in use as a part of a production process should be reported in "Schedule F".* Property which is intended for rent or lease must be reported at 100% of acquisition cost regardless of period of rent. If leasehold improvements are reported, please include a brief description of the items to assure they are not valued as part of the real property. *All vehicles and rolling stock are to be reported in "Schedule I".* This section must be completed in its entirety-simply attaching a list will not be sufficient.

West Virginia Code Chapter 11, Article 6J provides that the value of servers and tangible personal property directly used in a high-technology field of an internet advertising buisness shall be its salvage value. The terms "High-technology business" and "Internet advertising business" are defined in West Virginia Code §11-15-9h. In order to be eligible to receive salvage valuation treatment, the primary business activity of the company must be High-technology or Internet advertising. If you have reported equipment on "Schedule A" which you believe to qualify, please enter the dollar value of the property at 100% acquisition cost.
