FIRST DISTRICT, STATE OF FLORIDA

MARSHA J. PEADEN AND

NOT FINAL UNTIL TIME EXPIRES TO
FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED

CASE NO. 1D10-3192

ISLAND BREEZE, LLC, an
Alabama Limited Liability
Company, and DESTIN LAND
AND TITLE, INC., A Florida
corporation,

Appellees.

/

Opinion filed March 2, 2011.

An appeal from the Circuit Court for Bay County.
Michael C. Overstreet, Judge.

Inga G. Fahs-Gielisse of Fahs-Gielisse, LLC, Panama City Beach, for Appellants.

Michael A. Jones, Niceville, and Robert A. Goodwin, III, of Mathews & Hawkins,
P.A., Destin, for Appellees.

PER CURIAM.

We conclude that we lack jurisdiction to consider appellants' contention that
the trial court should have ruled on appellants' motion to dismiss the complaint in

interpleader filed by appellee Destin Land and Title, Inc. We conclude further, that appellants' remaining issues are devoid of merit and, accordingly, affirm as to them.

DISMISSED IN PART and AFFIRMED IN PART.
