

IN THE DISTRICT COURT OF APPEAL
FIRST DISTRICT, STATE OF FLORIDA

EMILY McDONALD,

Appellant,

v.

NOT FINAL UNTIL TIME EXPIRES TO
FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED.

CASE NO. 1D11-0823

FLORIDA UNEMPLOYMENT
APPEALS COMMISSION and
CMS MECHANICAL,

Appellees.

Opinion filed June 13, 2011.

An appeal from an order of the Florida Unemployment Appeals Commission.

Emily McDonald, pro se, Appellant.

Louis A. Gutierrez, Assistant General Counsel, Florida Unemployment Appeals
Commission, Tallahassee, for Appellees.

PER CURIAM.

Emily McDonald appeals an order of the Unemployment Appeals
Commission affirming an appeals referee's decision finding her to be disqualified

from the receipt of unemployment compensation benefits. In a motion to relinquish jurisdiction, the Unemployment Appeals Commission forthrightly acknowledges that the proceedings before the referee did not fully comport with the requirements of an administrative rule governing the matter. The Commission therefore requests that the court relinquish jurisdiction to it for purposes of issuing an order remanding the case to the referee for further proceedings. In accordance with this request, the final order of the Unemployment Appeals Commission being appealed herein is reversed, and the matter is remanded for further proceedings.

REVERSED and REMANDED.

BENTON, C.J., HAWKES and CLARK, JJ., CONCUR.
