

IN THE DISTRICT COURT OF APPEAL OF THE STATE OF FLORIDA
FIFTH DISTRICT

JULY TERM 2009

RICHARD BISHOP, JR.,

Appellant,

v.

Case No. 5D08-1222

FLORIDA AGRICULTURAL AND
MECHANICAL UNIVERSITY,

Appellee.

/

Opinion filed October 30, 2009

Administrative Appeal from
the Florida Agricultural and
Mechanical University.

Joseph Morrell, Orlando, for Appellant.

Monterey Campbell, III, Richard E.
Mitchell, and Michael D. Porter, of Gray
Robinson, P.A., Orlando, for Appellee.

PER CURIAM.

Florida Agricultural and Mechanical University's College of Law expelled Richard Bishop, Jr. as a student and invalidated the credits that he had received due to alleged fraudulent misconduct connected with his admission. Bishop appeals, arguing that he was not afforded proper notice and a hearing before such action was taken.

Our recent decision in Morris v. Florida Agricultural and Mechanical University, 34 Fla. L. Weekly D2133 (Fla. 5th DCA Oct. 16, 2009), governs the disposition of this

appeal. For the reasons articulated in that decision, we reverse the final order and remand for a properly noticed hearing on the fraudulent misconduct charge.

REVERSED and REMANDED.

MONACO, C.J., ORFINGER and COHEN, JJ., concur.
