

IN THE DISTRICT COURT OF APPEAL OF THE STATE OF FLORIDA  
FIFTH DISTRICT

JULY TERM 2009

DRIVETIME CAR SALES, INC.  
D/B/A DRIVETIME,

Appellant/Cross-Appellee,

v.

Case No. 5D08-315

ORLANDO'S AUTO SPECIALISTS, INC.,

Appellee/Cross-Appellant.

---

/

Opinion filed October 30, 2009

Appeal from the Circuit Court  
for Orange County,  
Frederick J. Lauten, Judge.

Robert E. Sickles, P.A., and Charles G.  
Geitner, P.A., of Broad and Cassel,  
Tampa, for Appellant/Cross-Appellee.

Nicholas A. Shannin, of Page, Eichenblatt,  
Bernbaum & Bennett, P.A., Orlando,  
for Appellee/Cross-Appellant.

PER CURIAM.

We find no error in the trial court's decision to submit the civil theft claim to the jury. We also conclude that Appellee offered sufficient proof of the damages suffered as the result of the theft. The cross-appeal is accordingly moot. The final judgment is affirmed.

AFFIRMED.

MONACO, C.J., GRIFFIN and TORPY, JJ., concur.
