

IN THE DISTRICT COURT OF APPEAL OF THE STATE OF FLORIDA
FIFTH DISTRICT

JULY TERM 2009

JENNIFER CARDINAL,

Appellant,

v.

Case No. 5D09-435

TERRANCE COTANT,

Appellee.

_____ /

Opinion filed December 4, 2009

Appeal from the Circuit Court
for Orange County,
Janet C. Thorpe, Judge.

Jennifer Cardinal, Farmington, MI, pro se.

Terrance E. Cotant, Orlando, pro se.

PER CURIAM.

The former wife, Jennifer Cardinal, appeals the supplemental final judgment rendered by the trial judge after an evidentiary hearing in which the trial court revoked the former wife's status as primary residential parent to the children of this marriage, reset visitation, modified child support, and made other changes to the previously ordered conditions for the care and well-being of the children. We have carefully reviewed the record in this case and have found no abuse of discretion or legal error committed by the trial court. We note that we have been hampered in our review by the

lack of a transcript of the proceedings or any approved substitute for it, even though the court considered the testimony of at least four witnesses. Accordingly, we affirm.

AFFIRMED.
