FIFTH DISTRICT

JANUARY TERM 2011

DIANE WILSON,

Appellant,

v.

Case No. 5D09-4557

DEPARTMENT OF CHILDREN AND FAMILIES,

Appellee.

/

Opinion filed February 11, 2011

Administrative Appeal from  
the Department of Children  
and Families.

Diane Wilson, Orlando, pro se.

T. Shane Deboard, Orlando, for Appellee.

PER CURIAM

Although we affirm the final administrative order denying the appellant's request for recertification of food stamp benefits, we do so without prejudice to the appellant's submission of receipts and prescriptions from her son's physicians for over-the-counter (non-prescription) items which may qualify for a medical expense deduction in the food stamp budget for some or all of these items, as recommended by the hearing officer.

AFFIRMED.
