The Court orders that the November 17, 2009 opinion is hereby AMENDED. The opinion contained the following clerical error: page 2, last sentence, states, "There is evidence to support the trial court's finding that factor (f) favored defendant, and no evidence from which to conclude that trial court's finding was merely a result of bias toward defendant." The correct sentence is, "There is evidence to support the trial court's finding that factor (f) favored plaintiff, and no evidence from which to conclude that the trial court's finding was merely a result of bias toward defendant."

In all other respects the November 17, 2009 opinion remains the same.
